

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Celerino Abad-Zapatero
DOCKET NO.: 19-06322.001-R-1
PARCEL NO.: 16-04-206-007

The parties of record before the Property Tax Appeal Board are Celerino Abad-Zapatero, the appellant, by attorney Robert Rosenfeld of Robert H. Rosenfeld and Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$95,862
IMPR.: \$106,000
TOTAL: \$201,862

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of brick and wood siding exterior construction with 1,696 square feet of living area. The dwelling was constructed in 1942 and is approximately 77 years old. The dwelling has a reported effective age of 1947. Features of the home include a basement with a recreation room, central air conditioning, a fireplace and a 200 square foot garage. The property has a 9,339 square foot site and is located in Lake Forest, Moraine Township, Lake County.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on four equity comparables located within the same assessment neighborhood code as the subject property. The comparables are improved with 2-story or 2.5-story dwellings of brick or wood siding exterior construction ranging in size from 2,389 to 3,051 square feet of living area. The dwellings range

in age from 91 to 93 years old. The comparables each have a basement, two of which have finished area. Two of the comparables have central air conditioning. Each comparable has a fireplace and a garage that ranges in size from 252 to 576 square feet of building area. The comparables have improvement assessments that range from \$125,851 to \$145,048 or from \$44.65 to \$52.68 per square foot of living area. Based on this evidence, the appellant requested the subject's improvement assessment be reduced to \$84,164 or \$49.63 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$201,862. The subject property has an improvement assessment of \$106,000 or \$62.50 per square foot of living area. In support of its contention of the correct assessment, the board of review submitted information on five equity comparables located within the same assessment neighborhood code as the subject property. The comparables are improved with two-story dwellings of brick or wood siding exterior construction ranging in size from 1,574 to 1,948 square feet of living area. The dwellings were built from 1937 to 1984 with comparable #1 having a reported effective age of 1980. Each comparable has a basement, three of which have finished area and central air conditioning. Four of the comparables each have one or two fireplaces and each comparable has a garage that ranges in size from 252 to 528 square feet of building area. The comparables have improvement assessments that range from \$95,419 to \$132,094 or from \$59.31 to \$68.05 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of nine suggested equity comparables for the Board's consideration. The Board gives less weight to the appellant's comparables, as well as board of review comparables #1 and #2 due to differences from the subject in dwelling size and/or age. The Board finds the best evidence of assessment equity to be board of review comparables #3, #4 and #5, which are similar to the subject in location, dwelling size, design, age and some features. These comparables have improvement assessments that range from \$95,419 to \$110,614 or from \$59.31 to \$65.14 per square foot of living area. The subject's improvement assessment of \$106,000 or \$62.50 per square foot of living area falls within the range established by the best comparables in the record. Based on this record and after considering adjustments to the comparables for differences when compared to the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
