

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Don Boyajian  
DOCKET NO.: 19-06332.001-R-1  
PARCEL NO.: 16-32-102-031

The parties of record before the Property Tax Appeal Board are Don Boyajian, the appellant, by attorney Robert Rosenfeld of Robert H. Rosenfeld and Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$53,278  
**IMPR.:** \$292,570  
**TOTAL:** \$345,848

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story dwelling of wood siding exterior construction with 4,204 square feet of living area. The dwelling was constructed in 2009 and is approximately 10 years old. Features of the home include an unfinished basement, central air conditioning and a 550 square foot garage. The property has a 14,074 square foot site and is located in Deerfield, West Deerfield Township, Lake County.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on four equity comparables located within the same assessment neighborhood code as the subject property. The comparables are improved with two-story dwellings of brick or wood siding exterior construction ranging in size from 3,492 to 4,378 square feet of living area. The dwellings range in age from 15 to 18 years old. Each comparable has an unfinished basement, central

conditioning and a garage that ranges in size from 616 to 796 square feet of building area. Three comparables each have one fireplace. The comparables have improvement assessments that range from \$192,388 to \$261,968 or from \$45.06 to \$65.88 per square foot of living area. Based on this evidence, the appellant requested the subject's improvement assessment be reduced to \$242,781 or \$57.75 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$345,848. The subject property has an improvement assessment of \$292,570 or \$69.59 per square foot of living area. In support of its contention of the correct assessment, the board of review submitted information on five comparable properties located within the same assessment neighborhood code as the subject property. The board of review did not provide descriptive characteristics of its comparable #2 in order to allow the Property Tax Appeal Board to conduct a meaningful comparative analysis of the comparable to the subject property, therefore it will not be further addressed in this analysis. The four remaining comparables are improved with two-story dwellings of brick or brick and wood siding exterior construction ranging in size from 4,153 to 4,376 square feet of living area. The dwellings were built from 2005 to 2016. The comparables each have a basement, one of which has a recreation room. Each comparable has central air conditioning, a fireplace and a garage that ranges in size from 462 to 714 square feet of building area. The comparables have improvement assessments that range from \$287,669 to \$351,976 or from \$68.90 to \$80.43 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains eight suggested equity comparables for the Board's consideration. The Board has given less weight to the appellant's comparable #4 due to its smaller dwelling size when compared to the subject dwelling. The Board has given reduced weight to board of review comparable #4 as it has a basement recreation room, unlike the subject's unfinished basement. The Board finds best evidence of assessment equity to be the parties' remaining comparables, which are relatively similar to the subject in location, dwelling size, design, age and most features. The comparables have improvement assessments that range from \$192,388 to \$351,976 or from \$45.06 to \$80.43 per square foot of living area. The subject's improvement assessment of \$292,570 or \$69.59 per square foot of living area falls within the range established by the best comparables in the record. Based on this record and after considering adjustments to the comparables for differences when compared to the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.

DISSENTING: \_\_\_\_\_

CERTIFICATION

As Clerk of the Illinois Property Tax Appeal Board and the keeper of the Records thereof, I do hereby certify that the foregoing is a true, full and complete Final Administrative Decision of the Illinois Property Tax Appeal Board issued this date in the above entitled appeal, now of record in this said office.

Date: March 15, 2022

Clerk of the Property Tax Appeal Board

**IMPORTANT NOTICE**

Section 16-185 of the Property Tax Code provides in part:

"If the Property Tax Appeal Board renders a decision lowering the assessment of a particular parcel after the deadline for filing complaints with the Board of Review or after adjournment of the session of the Board of Review at which assessments for the subsequent year or years of the same general assessment period, as provided in Sections 9-125 through 9-225, are being considered, the taxpayer may, within 30 days after the date of written notice of the Property Tax Appeal Board's decision, appeal the assessment for such subsequent year or years directly to the Property Tax Appeal Board."

In order to comply with the above provision, YOU MUST FILE A PETITION AND EVIDENCE WITH THE PROPERTY TAX APPEAL BOARD WITHIN 30 DAYS OF THE DATE OF THE ENCLOSED DECISION IN ORDER TO APPEAL THE ASSESSMENT OF THE PROPERTY FOR THE SUBSEQUENT YEAR OR YEARS. A separate petition and evidence must be filed for each of the remaining years of the general assessment period.

Based upon the issuance of a lowered assessment by the Property Tax Appeal Board, the refund of paid property taxes is the responsibility of your County Treasurer. Please contact that office with any questions you may have regarding the refund of paid property taxes.
