

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Bryan Wiegold
DOCKET NO.: 19-06405.001-R-1
PARCEL NO.: 12-33-406-034

The parties of record before the Property Tax Appeal Board are Bryan Wiegold, the appellant, by attorney Robert Rosenfeld of Robert H. Rosenfeld and Associates, LLC in Chicago, and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$66,606
IMPR.: \$70,469
TOTAL: \$137,075

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a one-story duplex of brick exterior construction with 1,716 square feet of living area. The duplex was built in 1951 and is approximately 68 years old. Features of the duplex include a crawl space foundation, two fireplaces and an attached garage with 484 square feet of building area. The property has a 6,930 square foot site and is located in Lake Forest, Shields Township, Lake County.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument the appellant submitted information on four equity comparables improved with 1-story or 1.5-story duplexes of wood siding or brick exterior construction ranging in size from 1,566 to 2,040 square feet of living area. The duplexes range in age from 57 to 112 years old. One comparable has a crawl space foundation and three comparables have full or partial basements. One comparable has central air conditioning and three comparables have detached garages ranging in size from 456 to 644 square feet of building

area. The comparables have the same assessment neighborhood code as the subject property and are located from 1,466 to 8,544 feet from the subject property. The improvement assessments on these properties range from \$55,414 to \$81,281 or from \$31.22 to \$39.84 per square foot of living area. The appellant requested the subject's improvement assessment be reduced to \$60,617.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$137,075. The subject property has an improvement assessment of \$70,469 or \$41.07 per square foot of living area. In support of its contention of the correct assessment the board of review submitted information on five equity comparables improved with one-story duplexes of brick, wood siding or brick and wood siding exterior construction ranging in size from 1,480 to 2,096 square feet of living area. The duplexes were built in 1955 and 1956. Two comparables have slab foundations, one comparable has a lower level, and two comparables have full basements with one having a recreation room. One comparable has central air conditioning, three comparables have one or two fireplaces, and each comparables has an attached or a detached garage with either 440 or 806 square feet of building area. The comparables have the same assessment neighborhood code as the subject property and are located from 8,318 to 10,724 feet from the subject property. The improvement assessments on these properties range from \$69,626 to \$88,183 or from \$40.96 to \$57.86 per square foot of living area.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains nine comparables submitted by the parties to support their respective positions. The Board finds the best evidence of assessment equity to be appellant's comparable #4 and board of review comparables #1 and #2 as these comparables are most similar to the subject in style, age, and foundation. These comparables have improvement assessments that range from \$69,626 to \$81,281 or from \$39.84 to \$44.50 per square foot of living area. The subject's improvement assessment of \$70,469 or \$41.07 per square foot of living area falls within the range established by the best comparables in this record. Less weight is given appellant's comparables #1, #2 and #3 due to differences from the subject in age, style, and/or foundation. Less weight is given board of review comparables #3, #4 and #5 due to differences from the subject in foundation. Based on this record the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
