

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: David Rohrbach
DOCKET NO.: 19-06407.001-R-1
PARCEL NO.: 12-33-201-003

The parties of record before the Property Tax Appeal Board are David Rohrbach, the appellant, by attorney Robert Rosenfeld of Robert H. Rosenfeld and Associates, LLC in Chicago, and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$204,391
IMPR.: \$265,470
TOTAL: \$469,861

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 1.5-story, Cape Cody style, dwelling of brick exterior construction with 3,343 square feet of living area. The dwelling is approximately 94 years old. Features of the home include an unfinished basement, central air conditioning, two fireplaces, and an attached garage with 480 square feet of building area. The property has a 39,260 square foot site and is located in Lake Forest, Shields Township, Lake County.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument the appellant submitted information on four equity comparables improved with two-story dwellings of brick exterior construction ranging in size from 3,390 to 3,833 square feet of living area. The dwellings range in age from 80 to 96 years old. Each comparable has a full or partial basement with one having finished area. Three properties have central air conditioning, each comparable has two or three fireplaces, and each

comparable has an attached garage ranging in size from 308 to 494 square feet of building area. Comparable #2 also has an additional detached garage. The comparables have the same assessment neighborhood code as the subject property and are located from 888 to 2,486 feet from the subject property. The improvement assessments on these properties range from \$209,158 to \$324,687 or from \$61.70 to \$84.71 per square foot of living area.

The appellant also submitted a copy of the final decision of the board of review disclosing the property has a total assessment of \$500,103 and an improvement assessment of \$295,712 or \$88.46 per square foot of living area. The appellant requested the subject's improvement assessment be reduced to \$255,154.

The board of review did not submit its "Board of Review Notes on Appeal" nor any evidence in support of its assessed valuation of the subject property.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the only evidence of assessment equity to be the appellant's comparables. These comparables have dwellings with varying degrees of similarity to the subject dwelling. The appellant's comparables have improvement assessments that range from \$61.70 to \$84.71 per square foot of living area. The subject's improvement assessment of \$88.46 per square foot of living area falls above the range established by the only comparables in this record. The board of review did not submit any evidence in support of its assessment of the subject property or to refute the appellant's argument as required by section 1910.40(a) of the rules of the Property Tax Appeal Board and is found to be in default pursuant to section 1910.69(a) of the rules of the Property Tax Appeal Board. 86 Ill.Admin.Code §1910.40(a) & §1910.69(a). The Board has examined the evidence submitted by the appellant and finds that a reduction in the assessed valuation of the subject property is appropriate.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
