

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Thomas & Barbara Fox
DOCKET NO.: 19-06425.001-R-1
PARCEL NO.: 12-20-305-005

The parties of record before the Property Tax Appeal Board are Thomas & Barbara Fox, the appellants, by attorney Robert Rosenfeld, of Robert H. Rosenfeld and Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$83,519
IMPR.: \$75,837
TOTAL: \$159,356

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellants timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a one-story dwelling of brick exterior construction with 2,266 square feet of living area. The dwelling was constructed in 1963 and is 56 years old. Features of the home include an unfinished basement, central air conditioning, a fireplace and a 441 square foot garage. The property has an approximately 11,520 square foot site and is located in Lake Bluff, Shields Township, Lake County.

The appellants contend assessment inequity, with respect to the improvement assessment, as the basis of the appeal. In support of this argument, the appellants submitted information on three equity comparables located in the same assessment neighborhood code as the subject. The comparables are improved with one-story dwellings of brick or wood siding exterior construction that range in size from 1,660 to 1,818 square feet of living area. The homes range in age from 57 to 66 years old. Each comparable has an unfinished basement and a garage ranging in size from

336 to 600 square feet of building area. Two comparables each have central air conditioning and one fireplace. Comparable #1 has an inground swimming pool. The comparables have improvement assessments that range from \$49,429 to \$52,468 or from \$27.85 to \$30.06 per square foot of living area. Based on this evidence, the appellants requested the subject's improvement assessment be reduced to \$65,540 or \$28.92 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$159,356. The subject has an improvement assessment of \$75,837 or \$33.47 per square foot of living area. In support of its contention of the correct assessment, the board of review submitted information on five equity comparables located in the same assessment neighborhood code as the subject property. The comparables are improved with one-story dwellings of brick or brick and wood siding exterior construction that range in size from 1,994 to 2,329 square feet of living area. The homes were built from 1955 to 1968. One comparable has an effective age of 1985. Four comparables have a basement, three of which have finished area and one comparable has a crawl space foundation. Each comparable has central air conditioning and a garage ranging in size from 440 to 576 square feet of building area. Three comparables have either one or two fireplaces. The comparables have improvement assessments that range from \$62,339 to \$85,979 or from \$26.77 to \$38.11 per square foot of living area. Based on this evidence, the board of review requested the subject's assessment be confirmed.

Conclusion of Law

The appellants contend assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments, for the assessment year in question, of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellants did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted eight equity comparables for the Board's consideration. The Board gives less weight to the appellant's comparables along with board of review comparables #4 and #5 which differ from the subject in age/effective age, dwelling size, foundation type and/or have an inground swimming pool, unlike the subject.

The Board finds the best evidence of assessment equity to be the remaining board of review comparables which are more like the subject in location, age, design, dwelling size and other features. These comparables have improvement assessments that range from \$71,901 to \$85,196 or from \$34.44 to \$37.63 per square foot of living area. The subject's improvement assessment of \$75,837 or \$33.47 per square foot of living area falls within the range established by the best comparables in this record on an overall basis and below the range on a per square foot basis. After considering adjustments to the comparables for differences from the subject, the Board finds the appellants did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
