

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: 1312 Armour LLC
DOCKET NO.: 19-06444.001-C-1
PARCEL NO.: 15-05-101-012

The parties of record before the Property Tax Appeal Board are 1312 Armour LLC, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld and Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$51,549
IMPR.: \$216,587
TOTAL: \$268,136

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a one-story industrial building containing 10,566 square feet of building area. The building was constructed in 1993. The property has a 35,203 square foot site and is located in Mundelein, Vernon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales that are located from .2 of a mile to 7.6 miles from the subject in Mundelein, Lake Bluff or Lake Zurich. The comparables have sites ranging in size from 49,658 to 87,120 square feet of land area that are improved with industrial buildings containing from 12,809 to 18,245 square feet of building area. The buildings were constructed from 1971 to 1990. The comparables sold from June 2017 to November 2018 for prices ranging from \$768,500 to \$955,000 or from \$45.22 to \$62.30 per square foot of building area, including land.

Based on this evidence the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$268,136. The subject's assessment reflects a market value of \$815,251 or \$77.16 per square foot of building area, land included, when using the 2019 three-year average median level of assessment for Lake County of 32.89% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on five comparable sales that are located in Buffalo Grove, Mundelein, Lake Barrington or Vernon Hills. The comparables have sites ranging in size from 27,443 to 87,120 square feet of land area that are improved with industrial buildings containing from 10,400 to 18,427 square feet of building area. The buildings were constructed from 1981 to 1994. The comparables sold from June 2017 to September 2019 for prices ranging from \$767,000 to \$1,550,000 or from \$68.18 to \$97.60 per square foot of building area, including land.

Based on this evidence the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of eight comparable sales for the Board's consideration. The Board gives less weight to the appellant's comparable #3, as well as the board of review's comparables #4 and #5, due to their sale dates occurring greater than 18 months prior to the January 1, 2019 assessment date at issue. The Board finds the parties' remaining comparables have varying degrees of similarity to the subject and sold proximate to the January 1, 2019 assessment date at issue. The best comparables sold from April 2018 to September 2019 for prices ranging from \$767,000 to \$1,550,000 or from \$45.22 to \$97.60 per square foot of building area, including land. The subject's assessment reflects a market value of \$815,251 or \$77.16 per square foot of building area, including land, which falls within the range established by the best comparable sales in the record. After considering adjustments to the best comparables for differences when compared to the subject, the Board finds the subject's estimated market value as reflected by its assessment is supported.

Based on this record the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
