

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: 730 Forest Edge LLC
DOCKET NO.: 19-06445.001-C-1 through 19-06445.002-C-1
PARCEL NO.: See Below

The parties of record before the Property Tax Appeal Board are 730 Forest Edge LLC, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld and Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

DOCKET NO	PARCEL NUMBER	LAND	IMPRVMT	TOTAL
19-06445.001-C-1	15-15-101-047	35,157	219,243	\$254,400
19-06445.002-C-1	15-15-101-049	69,074	0	\$69,074

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a one-story industrial building containing 11,100 square feet of building area. The building was constructed in 1990. The property has a 92,783 square foot site and is located in Vernon Hills, Vernon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales that are located from 1 mile to 4.8 miles from the subject in Buffalo Grove or Vernon Hills. The comparables have sites ranging in size from 27,443 to 59,677 square feet of land area that are improved with industrial buildings containing from 11,250 to 16,500 square feet of building area. The buildings were constructed from 1981 to 1994. The comparables sold from June 2017 to November 2018 for prices ranging from \$767,000 to \$1,130,000 or from \$66.67 to \$76.41 per square foot of building area, including land.

Based on this evidence the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$323,474. The subject's assessment reflects a market value of \$983,503 or \$88.60 per square foot of building area, land included, when using the 2019 three-year average median level of assessment for Lake County of 32.89% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on five comparable sales that are located in Mundelein, Buffalo Grove or Vernon Hills. The board of review's comparable #4 is the same property as the appellant's comparable #3. The comparables have sites ranging in size from 35,284 to 59,677 square feet of land area that are improved with industrial buildings containing from 10,400 to 18,427 square feet of building area. The buildings were constructed from 1972 to 1994. The comparables sold from June 2017 to November 2020 for prices ranging from \$1,015,000 to \$1,550,000 or from \$76.41 to \$97.60 per square foot of building area, including land.

Based on this evidence the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of seven comparable sales for the Board's consideration, one of which was submitted by both parties. The Board gives less weight to the appellant's comparable #3, as well as the board of review's comparables #3, #4 and #5, which includes the parties' common comparable, due to their sale dates occurring greater than 12 months prior to the January 1, 2019 assessment date at issue or their sale date occurring greater than 20 months after the January 1, 2019 assessment date at issue. The Board also gives less weight to the board of review's comparable #2 due to its significantly larger building size, when compared to the subject. The Board finds the parties' remaining comparables have varying degrees of similarity to the subject and sold proximate to the January 1, 2019 assessment date at issue. The best comparables sold from February 2018 to January 2019 for prices ranging from \$767,000 to \$1,100,000 or from \$66.67 to \$97.60 per square foot of building area, including land. The subject's assessment reflects a market value of \$983,503 or \$88.60 per square foot of building area, including land, which falls within the range established by the best comparable sales in the record. After considering adjustments to the best comparables for differences when compared to the subject, the Board finds the subject's estimated market value as reflected by its assessment is supported.

Based on this record the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
