

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: 910 Burnett LLC  
DOCKET NO.: 19-06463.001-C-1 through 19-06463.002-C-1  
PARCEL NO.: See Below

The parties of record before the Property Tax Appeal Board are 910 Burnett LLC, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld and Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

<b>DOCKET NO</b>	<b>PARCEL NUMBER</b>	<b>LAND</b>	<b>IMPRVMT</b>	<b>TOTAL</b>
19-06463.001-C-1	09-16-400-017	120,644	232,023	\$352,667
19-06463.002-C-1	09-16-400-018	57,966	0	\$57,966

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of an industrial building containing 18,200 square feet of building area. The building was constructed in 1999. The property has two parcels of land that total 300,564 square feet of land area and is located in Island Lake, Wauconda Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales that are located from 2.8 miles to 11 miles from the subject in Round Lake Beach, Lake Zurich or Wauconda. The comparables have sites with 39,640 or 106,722 square feet of land area that are improved with industrial buildings containing from 14,000 to 23,200 square feet of building area. The buildings were constructed from 1987 to 2000. The comparables sold from January to December 2018 for prices ranging

from \$500,000 to \$1,300,000 or from \$35.71 to \$56.03 per square foot of building area, including land.

Based on this evidence the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$410,633. The subject's assessment reflects a market value of \$1,248,504 or \$68.60 per square foot of building area, land included, when using the 2019 three-year average median level of assessment for Lake County of 32.89% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on five comparable sales that are located in Mundelein, Lake Barrington or Wauconda. The comparables have sites ranging in size from 29,925 to 96,268 square feet of land area that are improved with industrial buildings containing from 10,400 to 32,000 square feet of building area. The buildings were constructed from 1972 to 2000. The comparables sold from December 2017 to October 2019 for prices ranging from \$700,000 to \$2,650,000 or from \$61.47 to \$97.60 per square foot of building area, including land.

Based on this evidence the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of eight comparable sales for the Board's consideration. The Board gives less weight to the board of review's comparables due to their sale date occurring greater than 12 months prior to the January 1, 2019 assessment date at issue or their difference in building size, when compared to the subject. The Board finds the appellant's comparables have varying degrees of similarity, however, each of the appellant's comparables has a significantly smaller site than the subject. Nevertheless, the best comparables sold from January to December 2018 for prices ranging from \$500,000 to \$1,300,000 or from \$35.71 to \$56.03 per square foot of building area, including land. The subject's assessment reflects a market value of \$1,248,504 or \$68.60 per square foot of building area, including land, which falls within the range established by the best comparable sales in the record on a total market value basis but above the range on a per square foot basis. However, after considering adjustments to the best comparables for differences when compared to the subject, such as their smaller sites, the Board finds the subject's per square foot estimated market value as reflected by its assessment is supported.

Based on this record the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
