

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Poeta's Training Center LLC  
DOCKET NO.: 19-06477.001-C-1  
PARCEL NO.: 11-24-302-016

The parties of record before the Property Tax Appeal Board are Poeta's Training Center LLC, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld and Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$101,910  
**IMPR.:** \$140,711  
**TOTAL:** \$242,621

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of an industrial building containing 9,995 square feet of building area. The building was constructed in 1986. The property has a 43,462 square foot site and is located in Lake Forest, Libertyville Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on four comparable sales that are located from .9 of a mile to 8 miles from the subject in Gurnee, Waukegan or Lake Bluff. The comparables have sites ranging in size from 37,462 to 87,120 square feet of land area that are improved with industrial buildings containing from 12,809 to 15,329 square feet of building area. The buildings were constructed from 1981 to 2000. The comparables sold from April 2018 to July 2019 for prices ranging from \$768,500 to \$990,000 or from \$59.75 to \$64.58 per square foot of building area, including land.

Based on this evidence the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$242,621. The subject's assessment reflects a market value of \$737,674 or \$73.80 per square foot of building area, land included, when using the 2019 three-year average median level of assessment for Lake County of 32.89% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on five comparable sales that are located in Libertyville, Lake Forest, Mundelein or Vernon Hills. The comparables have sites ranging in size from 26,136 to 61,420 square feet of land area that are improved with industrial buildings containing from 6,440 to 14,788 square feet of building area. The buildings were constructed from 1960 to 1994. The comparables sold from June 2017 to November 2020 for prices ranging from \$742,500 to \$1,200,000 or from \$64.05 to \$115.30 per square foot of building area, including land.

Based on this evidence the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of nine comparable sales for the Board's consideration. The Board gives less weight to the appellant's comparables #1, #2 and #3, due to their considerably larger building size when compared to the subject. The Board also gives less weight to the board of review's comparables #2, #3 and #4, due to their sale date occurring greater than 17 months prior to the January 1, 2019 assessment date at issue or their sale date occurring greater than 19 months after the January 1, 2019 assessment date at issue. In addition, each of these comparables have a considerably larger building than the subject. The Board finds the parties' remaining comparables have varying degrees of similarity to the subject and also sold proximate in time to the January 1, 2019 assessment date at issue. The best comparables sold from April 2018 to October 2019 for prices ranging from \$742,500 to \$1,015,000 or from \$60.00 to \$115.30 per square foot of building area, including land. The subject's assessment reflects a market value of \$737,674 or \$73.80 per square foot of building area, including land, which falls below the range established by the best comparable sales in the record on a total market value basis but within the range on a per square foot basis. After considering adjustments to the best comparables for differences when compared to the subject, the Board finds the subject's estimated market value as reflected by its assessment is well supported.

Based on this record the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
