

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Paula McGuire
DOCKET NO.: 19-06499.001-R-1
PARCEL NO.: 11-14-201-040

The parties of record before the Property Tax Appeal Board are Paula McGuire, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld and Associates, LLC in Chicago, and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$75,389
IMPR.: \$168,194
TOTAL: \$243,583

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of brick construction with 3,555 square feet of living area.¹ The dwelling was constructed in 1996 and is approximately 23 years old. Features of the home include an unfinished basement, central air conditioning, a fireplace, and a 888 square foot garage. The property has an approximately 40,665 square foot site and is located in Green Oaks, Libertyville Township, Lake County.

The appellant contends assessment inequity with respect to the improvement assessment as the basis of the appeal. In support of this argument the appellant submitted information on four equity comparables. The comparables are located within the same assessment neighborhood code as the subject property. The comparables are improved with two-story homes of brick or

¹ The parties dispute the subject's dwelling size. The Board finds the best evidence of the subject's dwelling size is found in the subject's property record card presented by the board of review.

wood siding exterior construction ranging in size from 3,780 to 5,237 square feet of living area. The dwellings are from 23 to 25 years old. Each home has an unfinished basement, central air conditioning, one to three fireplaces, and a garage ranging in size from 811 to 1,040 square feet of building area. The comparables have improvement assessments ranging from \$169,586 to \$225,456 or from \$42.81 to \$45.48 per square foot of living area. Based on this evidence the appellant requested a reduction in the subject's improvement assessment to \$159,367 or \$44.83 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$243,583. The subject property has an improvement assessment of \$168,194 or \$47.31 per square foot of living area.

In support of its contention of the correct assessment the board of review submitted information on five equity comparables where comparable #2 is the same property as the appellant's comparable #4. The comparables are located from 0.09 to 0.40 of a mile from the subject property and within the same assessment neighborhood code as the subject property. The comparables are improved with two-story homes of brick, wood siding, or brick and wood siding exterior construction ranging in size from 3,539 to 3,939 square feet of living area. The dwellings were built from 1995 to 1999. Each home has an unfinished basement, central air conditioning, and a garage ranging in size from 805 to 977 square feet of building area. Four of the homes have one to three fireplaces. Comparable #1 has an inground swimming pool. The comparables have improvement assessments ranging from \$161,681 to \$191,577 or from \$43.27 to \$48.64 per square foot of living area. Based on this evidence the board of review requested confirmation of the subject's improvement assessment.

Conclusion of Law

The appellant contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of eight equity comparables, with one common comparable, for the Board's consideration. The Board gives less weight to the appellant's comparables #2 and #3, due to their significantly larger dwelling sizes than the subject. The Board gives less weight to the board of review's comparable #1, due to its inground swimming pool which is not a feature of the subject.

The Board finds the best evidence of assessment equity to be the appellant's comparable #1, the appellant's comparable #4/board of review's comparable #2, and the board of review's comparables #3 and #4, which are similar to the subject in dwelling size, age, and most features. These comparables have improvement assessments that range from \$169,586 to \$191,577 or from \$42.81 to \$48.64 per square foot of living area. The subject's improvement assessment of

\$168,194 or \$47.31 per square foot of living area falls below the range established by the best comparables in terms of total improvement assessment and within the range on a per square foot basis. Based on this record the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
