

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Jaideep Kulkarni  
DOCKET NO.: 19-06611.001-R-1  
PARCEL NO.: 15-28-407-004

The parties of record before the Property Tax Appeal Board are Jaideep Kulkarni, the appellant, and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$29,169  
**IMPR.:** \$110,817  
**TOTAL:** \$139,986

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story dwelling of wood siding exterior construction with 2,266 square feet of living area. The dwelling was constructed in 1987. Features of the home include a basement with a recreation room, central air conditioning, a fireplace and a 441 square foot garage. The property has a 6,825 square foot site and is located in Buffalo Grove, Vernon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on five comparable sales located within .27 miles from the subject. The comparables have sites that range in size from 6,825 to 10,335 square feet of land area and are improved with two-story dwellings of frame exterior construction that were built from 1985 to 1987. The dwellings have 2,266 or 2,470 square feet of living area. Each comparable has a basement with two having finished area. Other features include central air conditioning and a garage with 441 or 460 square feet of building area. Four comparables each

have a fireplace. The comparables sold from July 2016 to January 2019 for prices ranging from \$383,000 to \$420,000 or from \$156.68 to \$185.35 per square foot of living area, including land. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$139,986. The subject's assessment reflects a market value of \$425,619 or \$187.83 per square foot of living area, land included, when using the 2019 three-year average median level of assessment for Lake County of 32.89% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment, the board of review submitted information on four comparable sales located within .50 miles from the subject.<sup>1</sup> Board of review comparable #1 was submitted by the appellant as comparable #3. The comparables have sites ranging in size from 6,790 to 11,450 square feet of land area and are improved with two-story dwellings of wood siding exterior construction that were built from 1985 to 1987. The dwellings range in size from 2,155 to 2,377 square feet of living area. Each comparable features a basement, with three having finished area. Other features include central air conditioning and a garage ranging in size from 400 to 441 square feet of building area. Two comparables each have one fireplace. The comparables sold in April and May 2018 for prices ranging from \$402,000 to \$433,000 or from \$182.16 to \$191.09 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains eight suggested comparable sales for the Board's consideration, one of which is common to both parties. The Board gives less weight to appellant's comparables #1, #4 and #5 along with board of review comparable #3 which have unfinished basements or lack a basement when compared to the subject. In addition, appellant's comparable #4 sold in July 2016 which is less proximate in time to the January 1, 2019, assessment date than the other sales in the record.

The Board finds the best evidence of the subject's market value to be the parties' remaining comparables which includes one common comparable. These comparables are overall more similar to the subject in location, age, dwelling size and most features. The comparables sold from April to December 2018 for prices ranging from \$414,000 to \$443,000 or from \$167.61 to \$191.09 per square foot of living area, including land. The subject's assessment reflects a market value of \$425,619 or \$187.83 per square foot of living area, including land, which is within the range established by the best comparable sales in the record. Based on this evidence and after

considering adjustments to the best comparable sales for differences when compared to the subject, the Board finds the subject's estimated market value as reflected by the assessment is supported and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
