

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Dina Jackson
DOCKET NO.: 19-06807.001-R-1
PARCEL NO.: 11-08-301-005

The parties of record before the Property Tax Appeal Board are Dina Jackson, the appellant, by attorney Andrew J. Rukavina of The Tax Appeal Company in Mundelein; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$70,364
IMPR.: \$197,705
TOTAL: \$268,069

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of frame and brick exterior construction with 3,940 square feet of living area. The dwelling was constructed in 1992. Features of the home include an unfinished basement, central air conditioning, a fireplace and a 784 square foot garage. The property has a 15,809 square foot site and is located in Libertyville, Libertyville Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on five comparable sales located from .04 to .28 of a mile from the subject property and within the same assessment neighborhood code as the subject. The comparables have sites that range in size from 16,910 to 23,570 square feet of land area and are improved with two-story dwellings of frame or brick exterior construction ranging in size from 3,599 to 4,204 square feet of living area. The dwellings were built from 1992 to 1998. The

comparables each have an unfinished basement, central air conditioning, one to three fireplaces and a garage that ranges in size from 735 to 1,062 square feet of building area. Comparable #2 has an inground swimming pool. The properties sold from August 2016 to November 2018 for prices ranging from \$650,000 to \$745,000 or from \$154.61 to \$200.06 per square foot of living area, including land. Based on this evidence, the appellant requested the subject's assessment be reduced to \$237,099, which would reflect a market value of \$711,368 or \$180.55 per square foot of living area, including land, when using the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$268,069. The subject's assessment reflects a market value of \$815,047 or \$206.86 per square foot of living area, land included, when using the 2019 three-year average median level of assessment for Lake County of 32.89% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment, the board of review submitted information on four comparable sales located from .11 to .24 of a mile from the subject property and within the same assessment neighborhood code as the subject. The comparables have sites that range in size from 15,032 to 20,778 square feet of land area and are improved with two-story dwellings of frame, brick or frame and brick exterior construction ranging in size from 3,401 to 4,220 square feet of living area. The dwellings were built from 1992 to 1999. The comparables each have an unfinished basement, central air conditioning, one or two fireplaces and a garage that ranges in size from 702 to 808 square feet of building area. Comparable #2 has a gazebo. The properties sold from June 2018 to June 2019 for prices ranging from \$705,000 to \$873,000 or from \$206.87 to \$228.60 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of nine suggested comparable sales for the Board's consideration. The Board has given less weight to the appellant's comparables #1 and #2 as their sales occurred in 2016 and 2017, which are dated and less likely to be indicative of the subject's market value as of January 1, 2019. The Board has given reduced weight to the board of review comparables #1 and #3 due to their smaller dwelling sizes, when compared to the subject dwelling.

The Board finds the best evidence of market value to be the parties' remaining comparables. These comparables are similar to the subject in location, dwelling size, design, age and most features. The comparables sold from May 2018 to June 2019 for prices ranging from \$717,500 to \$873,000 or from \$180.55 to \$221.75 per square foot of living area, including land. The subject's assessment reflects a market value of \$815,047 or \$206.86 per square foot of living area, including land, which falls within the range established by the best comparable sales in the

record both in terms of overall market value and on a price per square foot basis. After considering adjustments to the comparables for differences when compared to the subject, the Board finds no reduction in the subject's estimated market value as reflected by its assessment is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
