

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Kate Robu
DOCKET NO.: 19-06809.001-R-2
PARCEL NO.: 16-19-204-008

The parties of record before the Property Tax Appeal Board are Kate Robu, the appellant, by attorney Andrew J. Rukavina, of The Tax Appeal Company in Mundelein; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$173,090
IMPR.: \$292,237
TOTAL: \$465,327

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a one-story dwelling with brick exterior construction containing 6,410 square feet of living area. The dwelling was constructed in 1999. Features of the home include a full unfinished basement, central air conditioning, two fireplaces, an attached 971 square foot garage, a swimming pool and a bath house. The property has a 131,550 square foot site and is located in Bannockburn, West Deerfield Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales that are located from .24 to .73 of a mile from the subject. The comparables have sites ranging in size from 79,280 to 145,930 square feet of land area that are improved with one-story or two-story dwellings containing from 5,242 to 6,560 square feet of living area. The dwellings were built from 1960 to 2001, with homes built in 1960 and 1963 having 1979 and 1990 effective ages. The comparables have full

or partial basements, one of which has finished area, central air conditioning, one or three fireplaces and an attached garage ranging in size from 884 to 1,216 square feet of building area. The comparables sold from August to November 2019 for prices ranging from \$627,500 to \$985,000 or from \$93.51 to \$150.15 per square foot of living area, including land. Based on this evidence the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$465,327. The subject's assessment reflects a market value of \$1,414,798 or \$220.72 per square foot of living area, land included, when using the 2019 three-year average median level of assessment for Lake County of 32.89% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on three comparable sales that are located from .23 to .52 of a mile from the subject. The comparables have sites ranging in size from 98,450 to 246,110 square feet of land area that are improved with one-story or two-story dwellings containing from 4,298 to 8,821 square feet of living area. The dwellings were built in 1986 or 2005. The comparables have full or partial basements, one of which has finished area, central air conditioning and an attached garage ranging in size from 840 to 1,649 square feet of building area. Two comparables have either three or four fireplaces and one comparable has a swimming pool. The comparables sold from May 2018 to June 2019 for prices ranging from \$1,100,000 to \$2,400,000 or from \$247.85 to \$272.08 per square foot of living area, including land. Based on this evidence the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of six comparable sales for the Board's consideration. The Board gives less weight to the appellant's comparable #3, as well as the board of review's comparables #1 and #3, due to their differences in dwelling size when compared to the subject. The Board finds the parties' remaining comparables have varying degrees of similarity to the subject and also sold proximate in time to the January 1, 2019 assessment date at issue. The best comparables sold from June to November 2019 for prices ranging from \$910,000 to \$1,500,000 or from \$146.79 to \$247.85 per square foot of living area, including land. The subject's assessment reflects a market value of \$1,414,798 or \$220.72 per square foot of living area, including land, which falls within the range established by the best comparable sales in the record. After considering adjustments to the best comparables for differences when compared to the subject, the Board finds the subject's estimated market value as reflected by its assessment is supported. Based on this record the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
