

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Patricia Taubensee
DOCKET NO.: 19-06869.001-R-2
PARCEL NO.: 12-32-306-025

The parties of record before the Property Tax Appeal Board are Patricia Taubensee, the appellant, by attorney Andrew J. Rukavina, of The Tax Appeal Company in Mundelein; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$123,009
IMPR.: \$433,354
TOTAL: \$556,363

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling with wood siding exterior construction containing 5,470 square feet of living area. The dwelling was constructed in 2005. Features of the home include a full unfinished basement, a fully finished attic, central air conditioning, three fireplaces, an attached 529 square foot garage and a detached 529 square foot garage. The property has a 43,240 square foot site and is located in Lake Forest, Shields Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales that are located from 1.07 to 1.51 miles from the subject and not within the same neighborhood code as the subject. The comparables have sites ranging in size from 39,640 to 60,860 square feet of land area that are improved with 2-story dwellings containing from 5,109 to 6,161 square feet of living area. The

dwellings were built in 2003 or 2004. The comparables have full basements, each of which has finished area, central air conditioning, three or four fireplaces and an attached garage ranging in size from 866 to 905 square feet of building area. The comparables sold from June 2016 to June 2017 for prices ranging from \$1,105,000 to \$1,735,450 or from \$201.06 to \$339.68 per square foot of living area, including land.

Based on this evidence the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$556,363. The subject's assessment reflects a market value of \$1,691,587 or \$309.25 per square foot of living area, land included, when using the 2019 three-year average median level of assessment for Lake County of 32.89% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales that are located in Lake Forest, with comparable #1 being located within the same neighborhood code as the subject. The board of review's comparable #5 is the same property as the appellant's comparable #3. The comparables have sites ranging in size from 25,500 to 60,370 square feet of land area that are improved with 1.75-story or 2-story dwellings containing from 4,599 to 5,635 square feet of living area. The dwellings were built from 1996 to 2006. The comparables have full or partial basements, four of which have finished area, central air conditioning, from two to four fireplaces and an attached garage ranging in size from 704 to 866 square feet of building area. Two comparables each have a swimming pool. The comparables sold from June 2017 to August 2020 for prices ranging from \$1,320,000 to \$2,160,000 or from \$287.02 to \$434.96 per square foot of living area, including land.

Based on this evidence the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of seven comparable sales for the Board's consideration, one of which was submitted by both parties. The Board gives less weight to the appellant's comparables due to their sale dates occurring greater than 18 months prior to the January 1, 2019 assessment date at issue. The Board also gives less weight to the board of review's comparables #4 and #5, which includes the parties common comparable, due to their sale date occurring greater than 18 months prior to the January 1, 2019 assessment date at issue or their sale date occurring greater than 19 months after the January 1, 2019 assessment date at issue. The Board finds the board of review's remaining comparables have varying degrees of similarity to the subject and also sold proximate in time to the January 1, 2019 assessment date at issue. The best comparables sold for prices ranging from \$1,320,000 to \$2,160,000 or from \$287.02 to \$434.96 per square foot of

living area, including land. The subject's assessment reflects a market value of \$1,691,587 or \$309.25 per square foot of living area, including land, which falls within the range established by the best comparable sales in the record. After considering adjustments to the best comparables for differences when compared to the subject, the Board finds the subject's estimated market value as reflected by its assessment is supported. Based on this record the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
