

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Walter Plocinski
DOCKET NO.: 19-06906.001-R-1
PARCEL NO.: 05-15-311-024

The parties of record before the Property Tax Appeal Board are Walter Plocinski, the appellant, by attorney Andrew J. Rukavina, of The Tax Appeal Company in Mundelein; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$40,921
IMPR.: \$118,863
TOTAL: \$159,784

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of wood siding exterior construction with 3,560 square feet of living area. The dwelling was constructed in 1980 and is 39 years old. Features of the home include a crawl space foundation, central air conditioning, a fireplace and a 480 square foot garage. The property has an approximately 22,810 square foot site and is located in Ingleside, Grant Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales located from 0.07 of a mile to 1.27 miles from the subject property. The comparables have sites that range in size from 14,350 to 22,470 square feet of land area and are improved with 1.5-story or 2-story dwellings of wood siding exterior construction that range in size from 1,596 to 3,630 square feet of living area. The dwellings range in age from 31 to 69 years old. Two comparables have a crawl space foundation

and one comparable has an unfinished basement. Each comparable has central air conditioning and a garage ranging in size from 550 to 825 square feet of building area. Two comparables each have one fireplace. The properties sold from November 2017 to July 2018 for prices ranging from \$194,500 to \$335,000 or from \$90.91 to \$121.87 per square foot of living area, land included. Based on this evidence, the appellant requested the subject's assessment be reduced to \$126,960 which reflects a market value of \$380,918 or \$107.00 per square foot of living area, land included, when applying the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$159,784. The subject's assessment reflects a market value of \$485,813 or \$136.46 per square foot of living area, land included, when using the 2019 three-year average median level of assessment for Lake County of 32.89% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on three comparable sales located from 0.41 of a mile to 2.49 miles from the subject property. The comparables have sites that range in size from 16,440 to 20,360 square feet of land area and are improved with 1-story, 1.5-story or 2-story dwellings of brick or wood siding exterior construction that range in size from 2,454 to 3,577 square feet of living area. The homes were built from 1937 to 1990. Two comparables have a crawl space foundation and one comparable has a basement with finished area. Each comparable has central air conditioning, one fireplace and a garage ranging in size from 616 to 840 square feet of building area. The properties sold from November 2018 to July 2019 for prices ranging from \$405,000 to \$568,000 or from \$148.59 to \$206.62 per square foot of living area, land included. Based on this evidence, the board of review requested the subject's assessment be confirmed.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales, or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted six comparable sales for the Board's consideration. The Board finds that neither parties' comparables are particularly similar to the subject in location, age, design, dwelling size and other features. Nonetheless, the comparables sold from November 2017 to July 2019 for prices ranging from \$194,500 to \$568,000 or from \$90.91 to \$206.62 per square foot of living area, including land. The subject's assessment reflects a market value of \$485,813 or \$136.46 per square foot of living area, including land, which falls within the range established by the comparable sales in the record. After considering the multitude of adjustments to the comparables for differences from the subject, the Board finds, on this limited record, a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
