

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Mark Timm
DOCKET NO.: 19-06909.001-R-1
PARCEL NO.: 05-24-219-006

The parties of record before the Property Tax Appeal Board are Mark Timm, the appellant, by attorney Andrew J. Rukavina, of The Tax Appeal Company in Mundelein; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$4,548
IMPR.: \$26,408
TOTAL: \$30,956

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a one-story dwelling of wood siding exterior construction with 820 square feet of living area. The dwelling was constructed in 1940 and is approximately 79 years old. Features of the home include an unfinished basement and central air conditioning. The property has a 6,250 square foot site and is located in Ingleside, Grant Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on five comparable sales located within 0.23 of a mile from the subject property. The comparables have sites that range in size from 5,750 to 16,220 square feet of land area and are improved with one-story or two-story dwellings of frame exterior construction that range in size from 814 to 1,886 square feet of living area. The dwellings range in age from 65 to 81 years old. Two comparables each have an unfinished basement, two

comparables have a crawl space foundation, and one comparable lacks a basement. Three comparables have central air conditioning and a garage ranging in size from 308 to 780 square feet of building area and one comparable has a fireplace. The properties sold from May 2017 to October 2018 for prices ranging from \$15,000 to \$94,000 or from \$17.86 to \$89.29 per square foot of living area, land included. Based on this evidence, the appellant requested the subject's assessment be reduced to \$19,961 which reflects a market value of \$59,889 or \$73.04 per square foot of living area, land included, when applying the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$30,956. The subject's assessment reflects a market value of \$94,120 or \$114.78 per square foot of living area, land included, when using the 2019 three-year average median level of assessment for Lake County of 32.89% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales located within 0.48 of a mile from the subject property. The comparables have sites that range in size from 5,800 to 28,210 square feet of land area and are improved with one-story or two-story dwellings of brick or wood siding exterior construction that range in size from 1,009 to 1,137 square feet of living area. The homes were built from 1950 to 1960. Four comparables have an unfinished basement and one comparable has a crawl space foundation. Three comparables have central air conditioning and three comparables have a garage ranging in size from 240 to 588 square feet of building area. The properties sold from August 2018 to August 2019 for prices ranging from \$131,000 to \$155,000 or from \$118.66 to \$136.32 per square foot of living area, land included. Based on this evidence, the board of review requested the subject's assessment be confirmed.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted nine comparable sales for the Board's consideration. The Board gives less weight to the appellant's comparables #1, #2 and #5 which sold in 2017, less proximate in time to the January 1, 2019, assessment date than other comparables in the record.

The Board finds the remaining comparables sold more proximate in time to the January 1, 2019, assessment date but have varying degrees of similarity to the subject in age, design, site size, foundation type and other features. These comparables sold from March 2018 to August 2019 for prices ranging from \$60,800 to \$155,000 or from \$73.03 to \$136.32 per square foot of living area, including land. The subject's assessment reflects a market value of \$94,120 or \$114.78 per square foot of living area, including land, which falls within the range established by the remaining comparable sales in this record. After considering adjustments to the comparables for

differences from the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
