

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Ron Michalski
DOCKET NO.: 19-06911.001-R-1
PARCEL NO.: 10-19-307-027

The parties of record before the Property Tax Appeal Board are Ron Michalski, the appellant, by attorney Andrew J. Rukavina, of The Tax Appeal Company in Mundelein; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$24,624
IMPR.: \$73,543
TOTAL: \$98,167

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of brick exterior construction with 2,185 square feet of living area. The dwelling was constructed in 1996 and is 23 years old. Features of the home include an unfinished basement, central air conditioning, a fireplace and a 731 square foot garage. The property has an approximately 20,910 square foot site and is located in Wauconda, Fremont Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales located within 0.26 of a mile from the subject and in the same assessment neighborhood code as the subject property. The comparables have sites that range in size from 11,070 to 15,570 square feet of land area and are improved with two-story dwellings of frame exterior construction that range in size from 2,275 to 2,854 square feet of living area. The dwellings range in age from 19 to 27 years old. Each comparable

has a basement, one with finished area, central air conditioning, one fireplace and a garage ranging in size from 474 to 760 square feet of building area. The properties sold in November 2017 or June 2018 for prices ranging from \$255,000 to \$306,000 or from \$93.90 to \$134.51 per square foot of living area, land included. Based on this evidence, the appellant requested the subject's assessment be reduced to \$77,646 which reflects a market value of \$232,961 or \$106.62 per square foot of living area, land included, when applying the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$98,167. The subject's assessment reflects a market value of \$298,471 or \$136.60 per square foot of living area, land included, when using the 2019 three-year average median level of assessment for Lake County of 32.89% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on five comparable sales located in the same assessment neighborhood code as the subject property. Board of review comparable #1 is the same property as the appellant's comparable #2. The comparables have sites that range in size from 10,910 to 21,340 square feet of land area and are improved with two-story dwellings of brick or wood siding exterior construction that range in size from 2,264 to 2,350 square feet of living area. The homes were built in 1994 or 1997. Each comparable has a basement with finished area, central air conditioning, one fireplace and a garage ranging in size from 400 to 670 square feet of building area. Comparable #5 has an inground swimming pool. The properties sold from May 2017 to September 2019 for prices ranging from \$306,000 to \$335,000 or from \$134.51 to \$142.55 per square foot of living area, land included. Based on this evidence, the board of review requested the subject's assessment be confirmed.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains seven comparable sales for the Board's consideration, as one property was common to both parties. The Board gives less weight to the appellant's comparable #3 along with board of review comparables #2 and #5 which either sold in 2017, less proximate to the January 1, 2019 assessment date than other comparables in the record, or feature an inground swimming pool which the subject lacks.

The Board finds the best evidence of market value to be the remaining comparables, including the common property, which are more similar to the subject in location, age, design, dwelling size and other features although three of these properties have finished basements suggesting a downward adjustment is needed to make them more equivalent to the subject. These comparables sold from June 2018 to September 2019 for prices ranging from \$255,000 to

\$327,950 or from \$106.61 to \$140.15 per square foot of living area, including land. The subject's assessment reflects a market value of \$298,471 or \$136.60 per square foot of living area, including land, which falls within the range established by the best comparable sales in this record. After considering appropriate adjustments to the comparables for differences from the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
