

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Trevor Martin
DOCKET NO.: 19-07029.001-R-1
PARCEL NO.: 02-27-202-003

The parties of record before the Property Tax Appeal Board are Trevor Martin, the appellant, by attorney Timothy C. Jacobs, of Kovitz Shifrin Nesbit in Mundelein; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$16,743
IMPR.: \$100,888
TOTAL: \$117,631

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of vinyl siding exterior construction with 3,511 square feet of living area. The dwelling was constructed in 2002 and is 17 years old. Features of the home include an unfinished basement, central air conditioning, a fireplace and a 651 square foot garage. The property has an approximately 15,680 square foot site and is located in Lindenhurst, Lake Villa Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on four comparable sales located within 0.29 of a mile from the subject property. The comparables have sites that range in size from 12,200 to 13,940 square feet of land area and are improved with two-story dwellings of frame exterior construction that range in size from 3,345 to 3,511 square feet of living area. The dwellings range in age from 15 to 17 years old. Each comparable has an unfinished basement, central air conditioning, one

fireplace and a garage ranging in size from 590 to 651 square feet of building area. The properties sold from April 2017 to April 2019 for prices ranging from \$267,500 to \$308,500 or from \$76.19 to \$88.70 per square foot of living area, land included. Based on this evidence, the appellant requested the subject's assessment be reduced to \$98,711 which reflects a market value of \$296,163 or \$84.35 per square foot of living area, land included, when applying the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$117,631. The subject's assessment reflects a market value of \$357,650 or \$101.87 per square foot of living area, land included, when using the 2019 three-year average median level of assessment for Lake County of 32.89% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales located in the same assessment neighborhood code as the subject property. The comparables have sites that range in size from 12,200 to 23,520 square feet of land area and are improved with two-story dwellings of vinyl siding exterior construction that range in size from 3,384 to 3,528 square feet of living area. The homes were built from 2002 to 2004. Each comparable has a basement, three with finished area, central air conditioning, one fireplace and a garage ranging in size from 620 to 660 square feet of building area. One comparable has an inground swimming pool. The properties sold from April 2018 to April 2019 for prices ranging from \$360,000 to \$415,000 or from \$106.38 to \$117.63 per square foot of living area, land included. Based on this evidence, the board of review requested the subject's assessment be confirmed.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales, or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted eight comparable sales for the Board's consideration. The Board gives less weight to the appellant's comparables #1 and #2 which sold in 2017, less proximate to the January 1, 2019 assessment date than other comparables in the record. The Board gives less weight to the board of review's comparable #3 which has an inground swimming pool and comparable #4 which has a larger site size when compared to the subject property.

The Board finds the best evidence of market value to be the remaining comparables which are more similar to the subject in location, age, design, dwelling size and other features. However, two of the comparables have a finished basement unlike the subject which suggests a downward adjustment is needed to make these two properties more equivalent to the subject. These comparables sold from June 2018 to April 2019 for prices ranging from \$267,500 to \$394,900 or from \$76.19 to \$113.97 per square foot of living area, including land. The subject's assessment reflects a market value of \$357,650 or \$101.87 per square foot of living area, including land,

which falls the range established by the best comparable sales in this record. After considering appropriate adjustments to the comparables for differences from the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
