

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Edward Gobbo
DOCKET NO.: 19-07031.001-R-1
PARCEL NO.: 08-07-408-003

The parties of record before the Property Tax Appeal Board are Edward Gobbo, the appellant, by attorney Timothy C. Jacobs, of Kovitz Shifrin Nesbit in Mundelein; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$5,299
IMPR.: \$26,445
TOTAL: \$31,744

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a one-story dwelling of wood siding exterior construction with 768 square feet of living area. The dwelling was constructed in 1954 and is 65 years old. Features of the home include an unfinished basement and a 480 square foot garage. The property has an approximately 6,270 square foot site and is located in Waukegan, Waukegan Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales located within 0.47 of a mile from the subject property. The comparables have sites that range in size from 6,000 to 6,320 square feet of land area and are improved with one-story dwellings of frame exterior construction each with 768 square feet of living area. The dwellings are all 65 years old and include an unfinished basement. Two comparables have either a 440 or 480 square foot garage. The properties sold

from February to May 2019 for prices ranging from \$65,000 to \$86,000 or from \$91.15 to \$111.98 per square foot of living area, land included. Based on this evidence, the appellant requested the subject's assessment be reduced to \$24,491 which reflects a market value of \$73,480 or \$95.68 per square foot of living area, land included, when applying the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$31,744. The subject's assessment reflects a market value of \$96,516 or \$125.67 per square foot of living area, land included, when using the 2019 three-year average median level of assessment for Lake County of 32.89% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales located in the same assessment neighborhood code as the subject property. The comparables have sites that range in size from 5,920 to 8,870 square feet of land area and are improved with one-story dwellings of wood or vinyl siding exterior construction each with 768 square feet of living area and built in 1954. Each comparable has an unfinished basement. One comparable has central air conditioning and three comparables have a garage ranging in size from 352 to 528 square feet of building area. The properties sold from March to July 2018 for prices ranging from \$102,000 to \$110,000 or from \$132.81 to \$143.23 per square foot of living area, land included.

The Waukegan Township Assessor's Office submitted comments contending the appellant's comparables #1 and #2 were not advertised sales and submitted copies of the PTAX-203 Illinois Real Estate Transfer Declarations for each of these sales in support of this contention. The township assessor further argued that the appellant's comparable #3 was sold by the executor of an estate. Based on this evidence, the board of review requested the subject's assessment be confirmed.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales, or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted seven comparable sales for the Board's consideration. The Board gives less weight to the appellant's comparables #1 and #2 which, based on the PTAX-203, were not advertised on the open market and therefore lack an essential element of an arm's length transaction. The Board gives less weight to the appellant's comparable #3 along with board of review comparables #3 and #4 which differ from the subject in either having central air conditioning or lacking a garage when compared to the subject property.

The Board finds the best evidence of market value to be the remaining two comparables which appear to reflect arm's length transactions and are similar to the subject in location and nearly

identical to the subject in age, dwelling size and other features. These comparables sold in July 2018 for prices of \$106,000 and \$110,000 or for \$138.02 and \$143.23 per square foot of living area, including land, respectively. The subject's assessment reflects a market value of \$96,516 or \$125.67 per square foot of living area, including land, which falls below the two best comparable sales in this record. After considering appropriate adjustments to the comparables for differences from the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
