

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Edward Gobbo
DOCKET NO.: 19-07091.001-R-1
PARCEL NO.: 08-07-215-025

The parties of record before the Property Tax Appeal Board are Edward Gobbo, the appellant, by attorney Timothy C. Jacobs, of Kovitz Shifrin Nesbit in Mundelein, and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$5,217
IMPR.: \$27,209
TOTAL: \$32,426

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a one-story dwelling of wood siding exterior construction with 768 square feet of living area. The dwelling was constructed in 1954. Features of the home include an unfinished basement, central air conditioning, and a 528 square foot garage. The property has a 6,180 square foot site and is located in Waukegan, Waukegan Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales with the same assessment neighborhood code as the subject. The comparables have sites that range in size from 6,000 to 6,320 square feet of land area and are improved with one-story dwellings of frame exterior construction that were built in 1954 with each containing 768 square feet of living area. Each comparable has an unfinished basement and two comparables each have a garage with 440 or

480 square feet of building area. The comparables sold from February to May 2019 for prices ranging from \$65,000 to \$86,000 or from \$91.15 to \$111.98 per square foot of living area, including land. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$32,426. The subject's assessment reflects a market value of \$98,859 or \$128.37 per square foot of living area, land included, when using the 2019 three-year average median level of assessment for Lake County of 32.89% as determined by the Illinois Department of Revenue.

In rebuttal, the board of review submitted a cover letter from the township assessor who critiqued the appellant's evidence noting comparables #1 and #2 were not advertised for sale, as noted in the PTAX-203 Real Estate Transfer Declarations that were submitted as supporting evidence and comparable #3 was sold by the executor of the estate, was on the market for two weeks and does not have a garage.

In support of its contention of the correct assessment, the board of review submitted information on four comparable sales with the same assessment neighborhood code as the subject. The comparables have sites ranging in size from 5,920 to 8,870 square feet of land area and are improved with one-story dwellings of wood siding or vinyl siding exterior construction that were built in 1954 with each containing 768 square feet of living area. Each comparable has an unfinished basement, one comparable has central air conditioning and three comparables have garages ranging in size from 352 to 528 square feet of building area. The comparables sold from March to July 2018 for prices ranging from \$102,000 to \$110,000 or from \$132.81 to \$143.23 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains seven comparable sales for the Board's consideration. The Board gives less weight to appellant's comparables #1 and #2 as both were not advertised for sale which does not meet one of the key fundamental elements of an arm's length transaction. The Board also gives less weight to appellant's comparable #3 and board of review comparable #3 as both lack a garage, a feature of the subject.

The Board finds the best evidence of market value to be board of review comparables #1, #2 and #4 which overall are more similar in location, age, dwelling size and most features. These comparables sold in March and July 2018 for prices ranging from \$102,000 to \$110,000 or from \$132.81 to \$143.23 per square foot of living area, including land. The subject's assessment

reflects a market value of \$98,859 or \$128.37 per square foot of living area, including land which falls below the range established by the best comparables in the record. Based on this evidence and after considering necessary adjustments to the comparables for differences when compared to the subject, the Board finds the appellant failed to prove by a preponderance of the evidence that a reduction in the subject's assessment is justified based on overvaluation.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
