

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: CSMA BLT, LLC
DOCKET NO.: 19-07209.001-R-1
PARCEL NO.: 06-17-107-009

The parties of record before the Property Tax Appeal Board are CSMA BLT, LLC, the appellant, by attorney Abby L. Strauss, of Schiller Law P.C. in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$6,073
IMPR.: \$20,617
TOTAL: \$26,690

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a one-story dwelling with vinyl exterior siding containing 968 square feet of living area. The dwelling was constructed in 1947. Features of the home include a crawl-space foundation, a full finished attic and central air conditioning. The property has a 8,000 square foot site and is located in Round Lake Heights, Avon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on five comparable sales that are located from 1.27 to 2.24 miles from the subject. The comparables have sites ranging in size from 4,200 to 6,460 square feet of land area that are improved with one-story dwellings containing from 838 to 1,105 square feet of living area. The dwellings were built from 1938 to 1951 and have crawl-space foundations. Four of the comparables have full finished attics, one comparable has central air conditioning, one comparable has a fireplace and two comparables have either a 308 or a 360 square foot

detached garage. The comparables sold from September 2018 to December 2019 for prices ranging from \$35,000 to \$75,000 or from \$35.64 to \$73.46 per square foot of living area, including land. Based on this evidence the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$26,690. The subject's assessment reflects a market value of \$81,149 or \$83.83 per square foot of living area, land included, when using the 2019 three-year average median level of assessment for Lake County of 32.89% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on nine comparable sales that are located from .13 of a mile to 2.55 miles from the subject. The comparables have sites ranging in size from 4,390 to 9,300 square feet of land area that are improved with one-story dwellings containing from 828 to 978 square feet of living area. The dwellings were built from 1937 to 1951, with a home built in 1948 having a 1965 effective age. One of the comparables has a full unfinished basement and eight comparables have a crawl-space foundation. Six comparables have full finished attics, five comparables have central air conditioning, one comparable has a fireplace and five comparables have an attached or detached garage ranging in size from 294 to 440 square feet of building area. The comparables sold from July 2018 to September 2020 for prices ranging from \$88,000 to \$145,000 or from \$106.28 to \$173.03 per square foot of living area, including land. Based on this evidence the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of 14 comparable sales for the Board's consideration. The Board gives less weight to the board of review's comparables #2, #3, #5 and #7, due to their location over 2 miles from the subject, their dissimilar basement foundation or their sale date occurring greater than 20 months after the January 1, 2019 assessment date at issue. The Board finds the parties' remaining comparables have varying degrees of similarity to the subject and also sold proximate in time to the January 1, 2019 assessment date at issue. The best comparables sold from July 2018 to December 2019 for prices ranging from \$35,000 to \$128,000 or from \$35.64 to \$143.02 per square foot of living area, including land. The subject's assessment reflects a market value of \$81,149 or \$83.83 per square foot of living area, including land, which falls within the range established by the best comparables in the record. After considering adjustments to the best comparables for differences when compared to the subject, the Board finds the subject's estimated market value as reflected in its assessment is supported. Based on this record the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
