

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: CSMA BLT, LLC
DOCKET NO.: 19-07210.001-R-1
PARCEL NO.: 06-21-412-018

The parties of record before the Property Tax Appeal Board are CSMA BLT, LLC, the appellant, by attorney Abby L. Strauss, of Schiller Law P.C. in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$4,725
IMPR.: \$21,961
TOTAL: \$26,686

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 1.5-story dwelling with vinyl exterior siding containing 1,068 square feet of living area. The dwelling was constructed in 1938. Features of the home include a crawl-space foundation and a fireplace. The property has a 4,790 square foot site and is located in Round Lake Park, Avon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on five comparable sales that are located from .30 of a mile to 2.28 miles from the subject. The comparables have sites ranging in size from 5,310 to 13,540 square feet of land area that are improved with 1.5-story dwellings containing from 978 to 1,168 square feet of living area. The dwellings were built from 1934 to 1954 and have crawl-space foundations. One comparable has central air conditioning and two comparables have either a 400 or a 528 square foot detached garage. The comparables sold from October 2017 to

November 2019 for prices ranging from \$58,500 to \$76,000 or from \$56.20 to \$71.01 per square foot of living area, including land.

Based on this evidence the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$26,686. The subject's assessment reflects a market value of \$81,137 or \$75.97 per square foot of living area, land included, when using the 2019 three-year average median level of assessment for Lake County of 32.89% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on six comparable sales that are located from .34 of a mile to 2.36 miles from the subject. The comparables have sites ranging in size from 4,790 to 8,400 square feet of land area that are improved with 1.5-story dwellings containing from 957 to 1,119 square feet of living area. The dwellings were built from 1939 to 1951 and have crawl-space foundations. Four of the comparables have central air conditioning and four comparables have a detached garage ranging in size from 360 to 552 square feet of building area. The comparables sold from April 2018 to April 2019 for prices ranging from \$113,000 to \$149,900 or from \$100.98 to \$137.27 per square foot of living area, including land.

Based on this evidence the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of 11 comparable sales for the Board's consideration. The Board gives less weight to the appellant's comparables #1, #4 and #5, as well as the board of review's comparable #5, due to their sale date occurring greater than 14 months prior to the January 1, 2019 assessment date at issue or their location over 2 miles from the subject. The Board finds the parties' remaining comparables have varying degrees of similarity to the subject and sold proximate in time to the January 1, 2019 assessment date at issue. The best comparables sold from April 2018 to April 2019 for prices ranging from \$68,000 to \$137,500 or from \$65.51 to \$135.84 per square foot of living area, including land. The subject's assessment reflects a market value of \$81,137 or \$75.97 per square foot of living area, including land, which falls within the range established by the best comparables in the record. After considering adjustments to the best comparables for differences when compared to the subject, the Board finds the subject's estimated market value as reflected by its assessment is supported. Based on this record the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
