

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Cynthia Rodrigues
DOCKET NO.: 19-07334.001-R-1
PARCEL NO.: 15-29-402-044

The parties of record before the Property Tax Appeal Board are Cynthia Rodrigues, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld and Associates, LLC in Chicago, and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$26,721
IMPR.: \$106,732
TOTAL: \$133,453

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a one-story dwelling of wood siding exterior construction with 2,167 square feet of living area. The dwelling was constructed in 1979 and is approximately 40 years old. The home has an effective age of 1980.¹ Features of the home include a basement with finished area, central air conditioning, a fireplace, and a 441 square foot garage. The property has an approximately 10,593 square foot site and is located in Buffalo Grove, Vernon Township, Lake County.

The appellant contends assessment inequity with respect to the improvement assessment as the basis of the appeal. In support of this argument the appellant submitted information on four equity comparables. The comparables are located from 0.41 to 0.68 of a mile from the subject

¹ Additional details regarding the subject property not provided by the appellant are found in the subject's property record card presented by the board of review.

property and within the same assessment neighborhood code as the subject property. The comparables are improved with two-story homes of wood siding exterior construction ranging in size from 2,332 to 2,391 square feet of living area. The dwellings are from 41 to 44 years old. Each home has an unfinished basement, central air conditioning, and a 440 square foot garage. One home has a fireplace. The comparables have improvement assessments ranging from \$107,188 to \$108,880 or from \$45.54 to \$45.96 per square foot of living area. Based on this evidence the appellant requested a reduction in the subject's improvement assessment to \$99,291 or \$45.82 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$133,453. The subject property has an improvement assessment of \$106,732 or \$49.25 per square foot of living area.

In support of its contention of the correct assessment the board of review submitted information on five equity comparables. The comparables are located from 0.12 to 0.26 of a mile from the subject property and within the same assessment neighborhood code as the subject property. The comparables are improved with one-story homes of wood siding exterior construction with 2,193 square feet of living area. The dwellings were built in 1979 or 1980. Each home has a basement, two of which have a recreation room, central air conditioning, and a 441 square foot garage. Three homes each have a fireplace. The comparables have improvement assessments ranging from \$105,098 to \$107,335 or from \$47.92 to \$48.94 per square foot of living area. Based on this evidence the board of review requested confirmation of the subject's improvement assessment.

Conclusion of Law

The appellant contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of nine equity comparables for the Board's consideration. The Board gives less weight to the appellant's comparables, which are each two-story homes compared to the subject's one-story home.

The Board finds the best evidence of assessment equity to be the board of review's comparables, which are similar to the subject in design, dwelling size, age, location, and most features, although only two of these comparables have finished basement area like the subject. These comparables have improvement assessments that range from \$105,098 to \$107,335 or from \$47.92 to \$48.94 per square foot of living area. The subject's improvement assessment of \$106,732 or \$49.25 per square foot of living area falls within the range established by the best comparables in terms of total improvement assessment and slightly above the range on a per square foot basis, which is logical given the subject's slightly smaller dwelling size than the best

comparables. Based on this record and after considering adjustments to the best comparables for differences when compared to the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
