

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Irina Chernyavsky
DOCKET NO.: 19-07354.001-R-1
PARCEL NO.: 14-15-213-024

The parties of record before the Property Tax Appeal Board are Irina Chernyavsky, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld and Associates, LLC in Chicago, and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$23,231
IMPR.: \$137,331
TOTAL: \$160,562

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2.5-story dwelling of wood siding exterior construction with 3,288 square feet of living area.¹ The dwelling was constructed in 2005 and is 14 years old. Features of the home include an unfinished basement, central air conditioning, two fireplaces, and a 912 square foot garage. The property has a 5,785 square foot site and is located in Lake Zurich, Ela Township, Lake County.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on three equity comparables with the same assessment neighborhood code as the subject. The comparables are described as 2-story dwellings of frame exterior construction ranging in size from 2,983 to 3,724

¹ The Board finds the best evidence of the subject's design and size was the property record card presented by the board of review which included a sketch with dimensions and size calculations.

square feet of living area. The dwellings are 11 to 24 years old. Each comparable has an unfinished basement, central air conditioning, and a garage ranging in size from 440 to 682 square feet of building area. Two comparables each have one fireplace. The comparables have improvement assessments ranging from \$85,003 to \$143,034 or from \$25.99 to \$38.41 per square foot of living area. Based on this evidence, the appellant requested a reduction in the subject's improvement assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$160,562. The subject property has an improvement assessment of \$137,331 or \$41.77 per square foot of living area.

In support of its contention of the correct assessment, the board of review submitted information on three equity comparables with the same assessment neighborhood code as the subject. The comparables consist of 2-story dwellings of wood siding exterior construction ranging in size from 2,992 to 3,289 square feet of living area. The dwellings were constructed in 2005 and 2007. The comparables have unfinished basements, with one being a walkout. Each comparable has central air conditioning, one or two fireplaces, and a garage ranging in size from 650 to 806 square feet of building area. The comparables have improvement assessments ranging from \$135,864 to \$174,449 or from \$41.31 to \$53.58 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and no reduction in the subject's assessment is warranted.

The parties submitted six equity comparables for the Board's consideration. The Board gives less weight to appellant's comparable #1 which has a significantly smaller garage when compared to the subject and appears to be outlier when compared to the improvement assessments of the other comparables in the record. The Board also gives less weight to the appellant's comparables #2 and #3 due to their larger dwelling size or older age when compared to the subject.

The Board finds the best evidence of assessment equity to be the board of review comparables which overall are more similar to the subject in location, age, dwelling size and features. These properties have improvement assessments ranging from \$135,864 to \$174,449 or from \$41.31 to \$53.58 per square foot of living area. The subject has an improvement assessment of \$137,331 or \$41.77 per square foot of living area, which falls within the range established by the best comparables in the record. Based on this evidence and after considering adjustments to the best comparables for differences when compared to the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
