

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Ting Ting Yi
DOCKET NO.: 19-07368.001-R-1
PARCEL NO.: 15-17-202-007

The parties of record before the Property Tax Appeal Board are Ting Ting Yi, the appellant(s), by attorney Robert Rosenfeld, of Robert H. Rosenfeld and Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$48,083
IMPR.: \$211,904
TOTAL: \$259,987

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of brick exterior construction with 4,870 square feet of living area. The dwelling was constructed in 1992 and is approximately 27 years old. Features of the home include a basement with 1,827 square feet of finished area, central air conditioning, a fireplace and a garage with 782 square feet of building area. The property has an approximately 51,850 square foot site and is located in Long Grove, Vernon Township, Lake County.

The appellant contends assessment inequity concerning the improvement as the basis of the appeal. In support of this argument the appellant submitted information on four equity comparables located in the same neighborhood code as the subject property. The comparables consist of two-story dwellings of Dryvit or wood siding exterior construction that are between 27 and 30 years old. The homes range in size from 4,328 to 5,304 square feet of living area. Each

dwelling has central air conditioning, one or three fireplaces, and a garage ranging in size from 672 to 846 square feet of building area. Each dwelling has a basement, with comparables #3 and #4 having 1,303 and 1,304 square feet of finished area, respectively. The comparables have improvement assessments ranging from \$169,266 to \$197,656 or from \$37.27 to \$39.73 per square foot of living area. Based on this evidence, the appellant requested a reduced improvement assessment of \$186,886 or \$38.37 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$259,987. The subject property has an improvement assessment of \$211,904 or \$43.51 per square foot of living area. In support of its contention of the correct assessment the board of review submitted information on five equity comparables that are located in the same assessment neighborhood code as the subject property. The comparables consist of two-story dwellings of brick or wood siding and brick exterior construction that were built between 1989 and 1992. The homes range in size from 4,718 to 5,184 square feet of living area. Each dwelling has central air conditioning, one to three fireplaces, and a garage ranging in size from 696 to 1,215 square feet of building area. Each dwelling has a basement, with comparables #2, #3, and #5 having between 1,349 and 1,951 square feet of finished area. Comparables #1 and #2 have swimming pools. The comparables have improvement assessments ranging from \$210,906 to \$243,405 or from \$42.07 to \$48.39 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of nine equity comparables to support their respective positions before the Property Tax Appeal Board. The Board has given reduced weight to appellant's comparables #1 and #2 along with board of review comparables #1, #2, and #4 which feature unfinished basements and/or swimming pools as compared to the subject.

The Board finds the best evidence of assessment equity to be appellant's comparables #3 and #4 along with board of review comparables #3 and #5. The Board finds these comparables are more similar to the subject in dwelling size and features. These comparables had improvement assessments that ranged from \$191,567 to \$222,269 or from \$37.39 to \$44.70 per square foot of living area. The subject's improvement assessment of \$211,904 or \$43.51 per square foot of living area falls within the range established by the best comparables in this record and appears to be supported given that the subject has more finished basement area than these four best equity comparables. Based on this record and after considering adjustments to the best comparables for differences, the Board finds the appellant did not demonstrate with clear and

convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
