

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Marc Collins  
DOCKET NO.: 19-07375.001-R-1  
PARCEL NO.: 13-12-101-006

The parties of record before the Property Tax Appeal Board are Marc Collins, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld and Associates, LLC in Chicago, and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$43,629  
**IMPR.:** \$136,300  
**TOTAL:** \$179,929

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a 2-story dwelling of wood siding exterior construction with 2,726 square feet of living area. The dwelling was constructed in 1992 and is approximately 27 years old. Features of the home include a basement with finished area, central air conditioning, two fireplaces, and a 936 square foot garage. The property has an approximately 105,118 square foot site and is located in Lake Barrington, Cuba Township, Lake County.

The appellant contends assessment inequity with respect to the improvement assessment as the basis of the appeal. In support of this argument the appellant submitted information on four equity comparables. The comparables are located from 1.26 to 3.49 miles from the subject property and within the same assessment neighborhood code as the subject property. The comparables are improved with 2-story homes of brick or wood siding exterior construction ranging in size from 3,032 to 3,209 square feet of living area. The dwellings are either 29 or 31

years old. Each home has a basement, one of which has finished area, central air conditioning, one or two fireplaces, and a garage ranging in size from 739 to 816 square feet of building area. The comparables have improvement assessments ranging from \$138,139 to \$148,664 or from \$44.90 to \$46.33 per square foot of living area. Based on this evidence the appellant requested a reduction in the subject's improvement assessment to \$124,373 or \$45.63 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$179,929. The subject property has an improvement assessment of \$136,300 or \$50.00 per square foot of living area.

In support of its contention of the correct assessment the board of review submitted information on five equity comparables. The comparables are located from 0.38 of a mile to 3.54 miles from the subject property and within the same assessment neighborhood code as the subject property. The comparables are improved with 1.5-story or 2-story homes of wood siding or brick and wood siding exterior construction ranging in size from 2,862 to 3,128 square feet of living area. The dwellings were built from 1985 to 1994. Each home has a basement, four of which have a recreation room, central air conditioning, one to three fireplaces, and a garage ranging in size from 535 to 888 square feet of building area. The comparables have improvement assessments ranging from \$135,125 to \$163,241 or from \$47.21 to \$52.19 per square foot of living area. Based on this evidence the board of review requested confirmation of the subject's improvement assessment.

### **Conclusion of Law**

The appellant contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of nine equity comparables for the Board's consideration. The Board gives less weight to the appellant's comparables #1, #2, and #4 due to their lack of finished basement area which the subject features. The Board gives less weight to the board of review's comparable # #5, due to significant differences from the subject in design and basement finish.

The Board finds the best evidence of assessment equity to the appellant's comparable #3 and the board of review's comparables #1 through #4, which are similar to the subject in design, dwelling size, age, and most features. These comparables have improvement assessments that range from \$135,125 to \$163,241 or from \$45.72 to \$52.19 per square foot of living area. The subject's improvement assessment of \$136,300 or \$50.00 per square foot of living area falls within the range established by the best comparables in this record. Based on this record and after considering appropriate adjustments to the best comparables for differences when compared to the subject, the Board finds the appellant did not demonstrate with clear and convincing

evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
