

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Thomas Broderick
DOCKET NO.: 19-07378.001-R-1
PARCEL NO.: 13-15-203-017

The parties of record before the Property Tax Appeal Board are Thomas Broderick, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld and Associates, LLC in Chicago, and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$38,154
IMPR.: \$157,675
TOTAL: \$195,829

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of brick and wood siding exterior construction with 3,841 square feet of living area. The dwelling was constructed in 2001 and is approximately 18 years old. Features of the home include an unfinished basement, central air conditioning, a fireplace, and a 720 square foot garage. The property has a 42,253 square foot site and is located in Lake Barrington, Cuba Township, Lake County.

The appellant contends overvaluation as the basis of the appeal.¹ In support of this argument the appellant submitted information on three comparable sales located within the same assessment neighborhood code as the subject property. The parcels range in size from 53,143 to 77,101 square feet of land area and are improved with 2-story homes of wood siding exterior

¹ Although the appellant indicated "Assessment equity" as the basis of this appeal in the Residential Appeal petition, both parties submitted comparable sales rather than equity comparables.

construction ranging in size from 4,329 to 5,035 square feet of living area. The dwellings range in age from 18 to 20 years old. Each home has a basement with finished area, central air conditioning, one or two fireplaces, and a garage ranging in size from 720 to 732 square feet of building area. The comparables sold from August 2017 to August 2018 for prices ranging from \$600,000 to \$670,000 or from \$125.90 to \$138.60 per square foot of living area, including land.

Based on this evidence, the appellant requested a total assessment of \$166,343 which would reflect a market value of \$499,079 or \$129.94 per square foot of living area, including land, at the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$195,829. The subject's assessment reflects a market value of \$595,406 or \$155.01 per square foot of living area, land included, when using the 2019 three year average median level of assessment for Lake County of 32.89% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on five comparable sales. The comparables are located from 0.09 of a mile to 1.66 miles from the subject property and within the same assessment neighborhood code as the subject property. The parcels range in size from 47,670 to 87,860 square feet of land area and are improved with 1.75-story or 2-story homes of brick or brick and wood siding exterior construction ranging in size from 3,180 to 4,346 square feet of living area. The dwellings were built from 1991 to 2004. Each home has a basement, one of which has finished area, central air conditioning, one or two fireplaces, and a garage ranging in size from 720 to 1,000 square feet of building area. The comparables sold from January 2018 to April 2019 for prices ranging from \$632,000 to \$775,000 or from \$159.89 to \$234.28 per square foot of living area, including land.

Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of eight comparable sales for the Board's consideration. The Board gives less weight to the appellant's comparables and the board of review's comparables #1, #2, and #3, due to significant differences in dwelling size, lot size, age, and/or basement finish.

The Board finds the best evidence of market value to be the board of reviews comparables #4 and #5, which are similar to the subject in dwelling size, age, location, and most features. These most similar comparables sold in February and April 2019 for prices of \$645,000 and \$632,000 or \$159.89 and \$189.56 per square foot of living area, including land, respectively. The subject's assessment reflects a market value of \$595,406 or \$155.01 per square foot of living area,

including land, which is below the range established by the best comparable sales in this record. Based on this evidence and after considering appropriate adjustments to the best comparables for differences from the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
