

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Rich Pratt
DOCKET NO.: 19-07382.001-R-1
PARCEL NO.: 13-01-406-004

The parties of record before the Property Tax Appeal Board are Rich Pratt, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld and Associates, LLC in Chicago, and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$57,483
IMPR.: \$192,817
TOTAL: \$250,300

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of stucco exterior construction with 4,757 square feet of living area. The dwelling was constructed in 1999 and is approximately 20 years old. Features of the home include a basement with finished area, central air conditioning, four fireplaces, and a 970 square foot garage. The property has a 19,893 square foot site and is located in North Barrington, Cuba Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales. The comparables are located within the same assessment neighborhood code as the subject property. The parcels range in size from 52,171 to 88,069 square feet of land area and are improved with 2-story homes of brick or wood siding exterior construction ranging in size from 4,440 to 5,125 square feet of living area. The dwellings range in age from 19 to 29 years old. Each home has a basement with finished area,

central air conditioning, two or three fireplaces, and a garage ranging in size from 876 to 932 square feet of building area. The comparables sold from November 2017 to July 2019 for prices ranging from \$620,000 to \$788,634 or from \$139.64 to \$153.88 per square foot of living area, including land.

Based on this evidence, the appellant requested a total assessment of \$232,004 which would reflect a market value of \$696,082 or \$146.33 per square foot of living area, including land, at the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$250,300. The subject's assessment reflects a market value of \$761,022 or \$159.98 per square foot of living area, land included, when using the 2019 three year average median level of assessment for Lake County of 32.89% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on five comparable sales. The comparables are located from 0.05 to 0.85 of a mile from the subject property and three comparables are located within the same assessment neighborhood code as the subject property. The parcels range in size from 20,590 to 63,220 square feet of land area and are improved with 1-story, 1.5-story, or 2-story homes of brick exterior construction ranging in size from 4,618 to 5,082 square feet of living area. The dwellings were built from 1989 to 2000. Each home has a basement, three of which have a recreation room, central air conditioning, two or five fireplaces, and a garage ranging in size from 864 to 1,276 square feet of building area. Comparable #1 has an inground swimming pool and comparable #3 has a hot tub. The comparables sold from April 2018 to December 2019 for prices ranging from \$699,999 to \$1,000,000 or from \$141.24 to \$215.56 per square foot of living area, including land. Based on this evidence the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of eight comparable sales for the Board's consideration. The Board gives less weight to the board of review's comparables #1, #3, and #5, due to differences from the subject in design and/or inground swimming pool amenity. The Board gives less weight to the appellant's comparable #3, which sold less proximate in time to the January 1, 2019 assessment date.

The Board finds the best evidence of market value to be the appellant's comparables #1 and #2 and the board of review's comparables #2 and #4, which are similar to the subject in design, dwelling size, location, and most features, although the subject has a much smaller lot than the best comparables and is a much newer home than two of these comparables. These most similar

comparables sold from September 2018 and July 2019 for prices ranging from \$620,000 to \$1,000,000 or from \$139.64 to \$215.56 per square foot of living area, including land. The subject's assessment reflects a market value of \$761,022 or \$159.98 per square foot of living area, including land, which is within the range established by the best comparable sales in this record. Based on this evidence and after considering appropriate adjustments to the best comparables for differences when compared to the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
