

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Judith Boba  
DOCKET NO.: 19-07388.001-R-1  
PARCEL NO.: 15-25-405-003

The parties of record before the Property Tax Appeal Board are Judith Boba, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld and Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$71,619  
**IMPR.:** \$230,874  
**TOTAL:** \$302,493

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a one-story dwelling of wood siding and brick exterior construction with 4,396 square feet of living area. The dwelling is approximately 25 years old. Features of the home include a full basement, central air conditioning, two fireplaces, and a garage containing 885 square feet of building area. The property also has an 850 square foot inground swimming pool.<sup>1</sup> The property has an approximately 45,000 square foot site and is located in Riverwoods, Vernon Township, Lake County.

The appellant contends assessment inequity concerning the improvement as the basis of the appeal. In support of this argument the appellant submitted information on four equity comparables located in the same neighborhood code as the subject property. The comparables

consist of one or two-story dwellings of brick, Dryvit, or wood siding exterior construction that are between 26 and 44 years old. The homes range in size from 3,584 to 6,407 square feet of living area. Each comparable has a full basement, with comparable #2 having 913 square feet of finished area. Each dwelling has central air conditioning, one to four fireplaces, and an attached garage ranging in size from 592 to 1,008 square feet of building area. Comparable #1 also lists a detached garage of unknown size. The comparables have improvement assessments ranging from \$174,703 to \$316,974 or from \$45.39 to \$49.47 per square foot of living area. Based on this evidence, the appellant requested a reduced improvement assessment of \$208,370 or \$47.40 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$302,493. The subject property has an improvement assessment of \$230,874 or \$52.52 per square foot of living area. In support of its contention of the correct assessment the board of review submitted information on five equity comparables that are located in the same assessment neighborhood code as the subject property. The comparables consist of one-story dwellings of brick, Dryvit, wood siding, or wood siding and brick exterior construction that were built between 1987 and 2002. The homes range in size from 3,959 to 4,641 square feet of living area. Each comparable has a full basement with four comparables having finished area. Each of the comparables have central air conditioning, one to three fireplaces, and a garage containing between 624 and 1,017 square feet of building area. Comparable #3 features an inground swimming pool. The comparables have improvement assessments ranging from \$208,133 to \$273,980 or from \$52.57 to \$64.42 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of nine equity comparables to support their respective positions before the Property Tax Appeal Board. The Board has given reduced weight to appellant's comparables due to their two-story design or age when compared to the subject's one-story design and newer age.

The Board finds the best evidence of assessment equity to be board of review comparables #1 through #5. The Board finds these comparables are more similar to the subject in location, dwelling size, design, age, and features. These comparables had improvement assessments that ranged from \$208,133 to \$273,980 or from \$52.57 to \$64.42 per square foot of living area. The subject's improvement assessment of \$230,874 or \$52.52 per square foot of living area falls within the range established by the best comparables in this record on an overall basis and

slightly below on a per-square-foot basis. Based on this record and after considering adjustments to the best comparables for differences, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
