

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Bogdan Ionescu
DOCKET NO.: 19-07392.001-R-1
PARCEL NO.: 13-25-405-014

The parties of record before the Property Tax Appeal Board are Bogdan Ionescu, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld and Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$40,446
IMPR.: \$132,212
TOTAL: \$172,658

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a one-story dwelling of wood siding exterior construction with 2,705 square feet of living area. The dwelling is approximately 33 years old. Features of the home include a walk out basement with 1,487 square feet of finished area, central air conditioning, two fireplaces, and a garage containing 838 square feet of building area. The property has an approximately 50,575 square foot site and is located in Barrington, Cuba Township, Lake County.

The appellant contends assessment inequity concerning the improvement as the basis of the appeal. In support of this argument the appellant submitted information on four equity comparables located in the same neighborhood code as the subject property. The comparables consist of split-level, 1.5-story, or 1.8-story dwellings of brick or wood siding exterior construction that are from 43 to 52 years old. The homes range in size from 2,168 to 3,392

square feet of living area. Each dwelling has a full basement, two of which have either 594 or 600 square feet of finished area. central air conditioning, one or two fireplaces, and a garage ranging in size from 484 to 660 square feet of building area. The comparables have improvement assessments ranging from \$98,360 to \$135,593 or from \$37.41 to \$45.37 per square foot of living area. Based on this evidence, the appellant requested a reduced improvement assessment of \$112,419 or \$41.56 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$172,658. The subject property has an improvement assessment of \$132,212 or \$48.88 per square foot of living area. In support of its contention of the correct assessment the board of review submitted information on five equity comparables that are located in the same assessment neighborhood code as the subject property. The comparables consist of ranch, raised ranch, or split-level dwellings of brick, wood siding, or brick and aluminum siding exterior construction that were built between 1963 and 1978, the two oldest homes having effective ages of 1976 and 1978. The homes range in size from 2,194 to 2,741 square feet of living area. Each comparable has a basement with finished area from 483 to 1,500 square feet. Four homes have central air conditioning; each home has one to three fireplaces, and a garage ranging in size from 483 to 1,344 square feet of building area. Comparable #2 features an inground swimming pool. The comparables have improvement assessments ranging from \$107,672 to \$192,693 or from \$46.15 to \$70.30 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of nine equity comparables to support their respective positions before the Property Tax Appeal Board. The Board has given reduced weight to appellant's comparables #1 through #4 due to their dissimilar design and/or lack of finished basement area as compared to the subject property. The Board has given reduced weight to board of review comparables #2 through #4 due to their dissimilar design and/or swimming pool.

The Board finds the best evidence of assessment equity to be board of review comparables #1 and #5 which were more similar to the subject in dwelling size, age, and features. These comparables had improvement assessments of \$192,693 and \$107,672 or \$70.30 and \$46.15 per square foot of living area, respectively. The subject's improvement assessment of \$132,212 or \$48.88 per square foot of living area is bracketed by the best comparables in this record. Based on this record and after considering appropriate adjustments to the best comparables for differences when compared to the subject, the Board finds the appellant did not demonstrate with

clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
