

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: John Hughes
DOCKET NO.: 19-07425.001-R-1
PARCEL NO.: 11-15-201-025

The parties of record before the Property Tax Appeal Board are John Hughes, the appellant, by attorney Robert Rosenfeld of Robert H. Rosenfeld and Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$68,688
IMPR.: \$140,091
TOTAL: \$208,779

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of wood siding exterior construction with 3,390 square feet of living area. The dwelling was constructed in 1977 and is approximately 42 years old. The dwelling has a reported effective age of 1985 due to remodeling. Features of the home include an unfinished basement, central air conditioning, a fireplace and a 792 square foot garage. The property has an approximately 45,080 square foot site and is located in Libertyville, Libertyville Township, Lake County.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on three equity comparables with the same assessment neighborhood code as the subject and located within .29 of a mile from the subject property. The comparables are improved with two-story dwellings of wood siding exterior construction ranging in size from 2,688 to 3,816 square feet of living area.

The dwellings are 42 or 43 years old. Each comparable has an unfinished basement, central air conditioning and a garage with either 528 or 625 square feet of building area. Two comparables each have one fireplace. The comparables have improvement assessments that range from \$106,365 to \$146,544 or from \$38.40 to \$39.57 per square foot of living area. Based on this evidence, the appellant requested the subject's improvement assessment be reduced to \$132,481 or \$39.08 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$208,779. The subject property has an improvement assessment of \$140,091 or \$41.32 per square foot of living area. In support of its contention of the correct assessment, the board of review submitted information on five equity comparables with the same assessment neighborhood code as the subject and located within .35 of a mile from the subject property. The comparables are improved with two-story dwellings of wood siding or brick and wood siding exterior construction ranging in size from 3,194 to 3,338 square feet of living area. The dwellings were built from 1976 to 1987 with comparables #1, #2, #3 and #5 having reported effective ages of 1983, 1980, 2002 and 1987, respectively. Each comparable has an unfinished basement, central air conditioning, one or two fireplaces and a garage ranging in size from 504 to 834 square feet of building area. The comparables have improvement assessments that range from \$124,626 to \$147,739 or from \$38.66 to \$44.26 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of eight suggested equity comparables for the Board's consideration. The Board has given less weight to the appellant's comparables #1 and #3 due to their dissimilar dwelling sizes when compared to the subject. The Board finds the best evidence of assessment equity to be the parties' remaining comparables, which are similar to the subject in location, dwelling size, design, age and some features. The comparables have improvement assessments that range from \$114,440 to \$147,739 or from \$38.66 to \$44.26 per square foot of living area. The subject's improvement assessment of \$140,091 or \$41.32 per square foot of living area falls within the range established by the best comparables in the record both in terms of overall improvement assessment and on a square foot basis. Based on this record and after considering adjustments to the comparables for differences when compared to the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
