

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Roger Hannan  
DOCKET NO.: 19-07430.001-R-1  
PARCEL NO.: 11-08-313-006

The parties of record before the Property Tax Appeal Board are Roger Hannan, the appellant, by attorney Robert Rosenfeld of Robert H. Rosenfeld and Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$70,364  
**IMPR.:** \$174,297  
**TOTAL:** \$244,661

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story dwelling of wood siding and brick exterior construction with 3,385 square feet of living area. The dwelling was constructed in 1994 and has a reported effective age of 1995 due to remodeling. Features of the home include an unfinished basement, central air conditioning, a fireplace and a 781 square foot garage. The property has a 17,646 square foot site and is located in Libertyville, Libertyville Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on four comparable sales with the same assessment neighborhood code as the subject and located within .35 of a mile from the subject property. The comparables have sites that range in size from 15,032 to 21,148 square feet of land area and are improved with two-story dwellings of brick or frame and brick exterior construction ranging in size from 3,401 to 4,220 square feet of living area. The dwellings were built from 1993 to 1999.

Each comparable has an unfinished basement, central air conditioning, one or three fireplaces and a garage ranging in size from 620 to 860 square feet of building area. The properties sold from June to December 2018 for prices ranging from \$705,000 to \$873,000 or from \$180.55 to \$207.29 per square foot of living area, including land. Based on this evidence, the appellant requested the subject's assessment be reduced to \$224,191, which would reflect a market value of \$672,640 or \$198.71 per square foot of living area, including land, when using the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$244,661. The subject's assessment reflects a market value of \$743,877 or \$219.76 per square foot of living area, land included, when using the 2019 three-year average median level of assessment for Lake County of 32.89% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment, the board of review submitted information on three comparable sales with the same assessment neighborhood code as the subject and located within .35 of a mile from the subject property. The board of review's comparable #2 is a duplicate of the appellant's comparable #1. The comparables have sites that range in size from 15,340 to 21,150 square feet of land area and are improved with two-story dwellings of wood siding or brick exterior construction ranging in size from 3,412 to 3,734 square feet of living area. The dwellings were built from 1992 to 1998. Each comparable has an unfinished basement, central air conditioning, one or two fireplaces and a garage ranging in size from 620 to 808 square feet of building area. Comparable #3 has a gazebo. The properties sold from June 2018 to June 2019 for prices ranging from \$720,000 to \$828,000 or from \$200.06 to \$228.60 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of six suggested comparable sales for the Board's consideration, as one comparable was common to both parties. The Board has given less weight to the appellant's comparables #2 and #4 due to their larger dwelling sizes when compared to the subject.

The Board finds the best evidence of market value to be the parties' remaining comparables, which are similar to the subject in location, dwelling size, design, age and some features. These properties sold from June 2018 to June 2019 for prices ranging from \$705,000 to \$828,000 or from \$200.06 to \$228.60 per square foot of living area, including land. The subject's assessment reflects a market value of \$743,877 or \$219.76 per square foot of living area, including land, which falls within the range established by the best comparable sales in the record. Based on this record and after considering adjustments to the most similar comparables for differences when

compared to the subject, the Board finds no reduction in the subject's estimated market value as reflected by its assessment is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
