

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Marilyn Gerstenberg Brief
DOCKET NO.: 19-07435.001-R-1
PARCEL NO.: 11-02-401-041

The parties of record before the Property Tax Appeal Board are Marilyn Gerstenberg Brief, the appellant, by attorney Robert Rosenfeld of Robert H. Rosenfeld and Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$65,338
IMPR.: \$191,282
TOTAL: \$256,620

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of brick exterior construction with 3,996 square feet of living area. The dwelling was constructed in 1996. Features of the home include an unfinished basement, central air conditioning, two fireplaces and a 609 square foot garage. The property also has a 576 square foot inground swimming pool.¹ The property has an approximately 23,510 square foot site and is located in Green Oaks, Libertyville Township, Lake County.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on four equity comparables with the same assessment neighborhood code as the subject and located within .36

¹ The subject's property record card provided by the board of review revealed the subject has a 576 square foot inground swimming pool, which was not reported by the appellant.

of a mile from the subject property. The comparables are improved with two-story dwellings of frame or brick and frame exterior construction ranging in size from 3,180 to 4,116 square feet of living area. The dwellings were built from 1995 to 1997. Each comparable has an unfinished basement, central air conditioning, a fireplace and a garage ranging in size from 504 to 714 square feet of building area. The comparables have improvement assessments that range from \$145,324 to \$186,753 or from \$44.79 to \$45.70 per square foot of living area. Based on this evidence, the appellant requested the subject's improvement assessment be reduced to \$181,248 or \$45.36 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$256,620. The subject property has an improvement assessment of \$191,282 or \$47.87 per square foot of living area. In support of its contention of the correct assessment, the board of review submitted information on four equity comparables with the same assessment neighborhood code as the subject and located within .41 of a mile from the subject property. The comparables are improved with two-story dwellings of brick or brick and wood siding exterior construction ranging in size from 3,547 to 4,347 square feet of living area. The dwellings were built from 1995 to 1998. Each comparable has an unfinished basement, central air conditioning, one or two fireplaces and a garage ranging in size from 575 to 755 square feet of building area. Two comparables each have an inground swimming pool and one comparable has a gazebo. The comparables have improvement assessments that range from \$170,905 to \$211,362 or from \$48.18 to \$49.89 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of eight suggested equity comparables for the Board's consideration. The Board has given less weight to the appellant's comparable #4 due to its smaller dwelling size when compared to the subject.

The Board finds the best evidence of assessment equity to be the parties' remaining comparables, which are similar to the subject in location, dwelling size, design, age and some features. However, the Board finds five of the seven comparables lack an inground swimming pool, a feature of the subject, suggesting an upward adjustment for this feature would be required to make the comparables more equivalent to the subject. The comparables have improvement assessments that range from \$162,910 to \$211,362 or from \$44.79 to \$49.89 per square foot of living area. The subject's improvement assessment of \$191,282 or \$47.87 per square foot of living area falls within the range established by the best comparables in the record. Based on this record and after considering adjustments to the comparables for differences when compared to

the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
