

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Maureen Welter
DOCKET NO.: 19-07447.001-R-1
PARCEL NO.: 14-27-401-019

The parties of record before the Property Tax Appeal Board are Maureen Welter, the appellant, by attorney Robert Rosenfeld of Robert H. Rosenfeld and Associates, LLC in Chicago, and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$45,195
IMPR.: \$94,504
TOTAL: \$139,699

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a one-story dwelling of wood siding and brick exterior construction containing 2,302 square feet of living area. The dwelling was constructed in 1962 and is approximately 57 years old. Features of the home include a part crawl space and partial lower-level foundation¹, central air conditioning, two fireplaces and an attached garage with 755 square feet of building area. The property has a site with approximately 61,590 square feet of land area and is located in Kildeer, Ela Township, Lake County.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument the appellant submitted information on four equity comparables improved with 1.5-story or 2-story dwellings of wood siding exterior construction

¹ The appellant indicates the subject has 817 square feet of finished basement area; however, the board of review does not describe the subject as having finished basement area.

ranging in size from 2,374 to 2,544 square feet of living area. The homes range in age from 43 to 58 years old. Each comparable has a partial or full unfinished basement, central air conditioning, one or two fireplaces and an attached garage ranging in size from 400 to 684 square feet of building area. The comparables have the same assessment neighborhood code as the subject property and are located from .15 to .50 of one mile from the subject property. The improvement assessments on these properties range from \$89,241 to \$96,959 or from \$36.15 to \$38.49 per square foot of living area. The appellant requested the subject's improvement assessment be reduced to \$84,512.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$139,699. The subject property has an improvement assessment of \$94,504 or \$41.05 per square foot of living area.

In support of its contention of the correct assessment the board of review submitted information on five equity comparables improved with one-story dwellings of wood siding, brick or wood siding and brick exterior construction ranging in size from 1,979 to 2,630 square feet of living area. The homes were built from 1962 to 1977. Comparables #1 and #3 have effective years built of 1979 and 1980, respectively. Four comparables have a lower level and one comparable has a crawl space foundation. Each property has central air conditioning, one or two fireplaces, and an attached garage ranging in size from 512 to 828 square feet of building area. Comparable #5 has an inground swimming pool. The comparables have the same assessment neighborhood code as the subject property and are located from approximately .05 to .53 of one mile from the subject property. The improvement assessments on these properties range from \$86,679 to \$124,257 or from \$37.11 to \$47.77 per square foot of living area.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the best evidence of assessment equity to be comparables submitted by the board of review as these properties are improved with homes more similar to the subject dwelling in style than are the comparables provided by the appellant. The board of review comparables have varying degrees of similarity to the subject dwelling in age in features. These comparables have improvement assessments that range from \$86,679 to \$124,257 or from \$37.11 to \$47.77 per square foot of living area. The board of review comparables most similar to the subject in actual age and effective age have improvement assessments of \$44.45 and \$43.80 per square foot of living area, respectively. The subject's improvement assessment of \$94,504 or \$41.05 per square foot of living area falls within the range established by the best comparables in this record and well supported by those comparables most similar to the subject dwelling in age. Based on this record the Board finds the appellant did not demonstrate with

clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
