

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Beata Redlieki
DOCKET NO.: 19-07463.001-R-1
PARCEL NO.: 14-28-106-029

The parties of record before the Property Tax Appeal Board are Beata Redlieki, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld and Associates, LLC in Chicago, and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$19,698
IMPR.: \$78,138
TOTAL: \$97,836

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a one-story raised ranch dwelling of frame exterior construction with 1,416 square feet of living area. The dwelling was constructed in 1988 and is approximately 31 years old. Features of the home include a finished lower of 576 square feet, central air conditioning and a 680 square foot garage. The property has an approximately 8,520 square foot site and is located in Lake Zurich, Ela Township, Lake County.

The appellant contends assessment inequity concerning the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on four equity comparables located in the same assessment neighborhood code as the subject property. The comparables consist of two, one-story and two, two-story dwellings of wood siding exterior construction that were each 31 years old. The homes range in size from 1,614 to 1,912 square feet of living area. Three of the dwellings have unfinished full walkout-style basements and

comparable #4 has a 576 square foot finished lower level. Features include central air conditioning, a fireplace and a garage ranging in size from 400 to 713 square feet of building area. The comparables have improvement assessments ranging from \$84,888 to \$100,060 or from \$49.85 to \$52.73 per square foot of living area. Based on this evidence, the appellant requested a reduced improvement assessment of \$72,771 or \$51.39 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$97,836. The subject property has an improvement assessment of \$78,138 or \$55.18 per square foot of living area. In support of its contention of the correct assessment, the board of review submitted information on five equity comparables that are located in the same assessment neighborhood code as the subject property. The comparables are one-story raised ranch dwellings of wood siding exterior construction built in 1988. The homes each contain 1,416 square feet of living area and have lower levels with 640 square feet of finished area. Features include central air conditioning and a 680 square foot garage. Three of the homes each have a fireplace. The comparables have improvement assessments ranging from \$77,759 to \$78,895 or from \$55.18 to \$55.66 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of nine equity comparables to support their respective positions before the Property Tax Appeal Board. The Board has given reduced weight to appellant's comparables #1, #2 and #3 which differ from the subject in dwelling size, foundation type and/or design when compared to the subject dwelling.

The Board finds the best evidence of assessment equity to be appellant's comparable #4 and the board of review comparables which are similar to the subject in location, age, design and foundation type. These comparables have improvement assessments that range from \$77,759 to \$85,104 or from \$52.73 to \$55.66 per square foot of living area. The subject's improvement assessment of \$78,138 or \$55.18 per square foot of living area falls within the range established by the best comparables in this record and is particularly well-supported by the nearly identical property, board of review comparable #1. Based on this record and after considering adjustments to the best comparables for differences when compared to the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
