

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Timothy Klein  
DOCKET NO.: 19-07481.001-R-1  
PARCEL NO.: 11-18-204-035

The parties of record before the Property Tax Appeal Board are Timothy Klein, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld and Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$55,285  
**IMPR.:** \$124,319  
**TOTAL:** \$179,604

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story dwelling of brick exterior construction with 3,179 square feet of living area. The dwelling was constructed in 1987 and is 32 years old. Features of the home include an unfinished basement, central air conditioning, a fireplace and a 484 square foot garage. The property has an approximately 11,020 square foot site and is located in Libertyville, Libertyville Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on four comparable sales located within 0.21 of a mile from the subject property. The comparables have sites that range in size from 10,105 to 17,363 square feet of land area and are improved with two-story dwellings of brick exterior construction with either 3,179 or 3,660 square feet of living area. The dwellings are either 32 or 33 years old. Each comparable has an unfinished basement, central air conditioning, one fireplace and a

garage with 484 or 552 square feet of building area. The properties sold from December 2017 to March 2019 for prices ranging from \$400,000 to \$555,000 or from \$109.29 to \$162.00 per square foot of living area, land included. Based on this evidence, the appellant requested the subject's assessment be reduced to \$154,403 which reflects a market value of \$451,254 or \$141.95 per square foot of living area, land included, when applying the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$179,604. The subject's assessment reflects a market value of \$546,075 or \$171.78 per square foot of living area, land included, when using the 2019 three-year average median level of assessment for Lake County of 32.89% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales located within 0.15 of a mile from the subject property. Board of review comparable #3 is the same property as the appellant's comparable #2. The comparables have sites that range in size from 10,110 to 13,720 square feet of land area and are improved with two-story dwellings of brick or brick and wood siding exterior construction that range in size from 2,873 to 3,179 square feet of living area. The homes were built in 1986 or 1987 with comparable #1 having an effective year built of 1996. Each comparable has an unfinished basement, central air conditioning, one fireplace and a 484 square foot garage. The properties sold from June 2018 to May 2019 for prices ranging from \$515,000 to \$612,000 or from \$162.00 to \$207.76 per square foot of living area, land included. Based on this evidence, the board of review requested the subject's assessment be confirmed.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales, or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains seven comparable sales for the Board's consideration, as one property was common to both parties. The Board gives less weight to the appellant's comparables #1, #3 and #4 along with board of review comparables #1 and #2 which are less similar to the subject in dwelling size and site size than other comparables in the record.

The Board finds the best evidence of market value to be the remaining two comparables which are more similar to the subject in location, age, design, dwelling size and other features. These comparables sold in March 2019 and June 2018 for prices of \$515,000 and \$612,000 or for \$162.00 and \$193.67 per square foot of living area, including land, respectively. The subject's assessment reflects a market value of \$546,075 or \$171.78 per square foot of living area, including land, which is bracketed by the two best comparable sales in this record. After considering appropriate adjustments to the comparables for differences from the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
