

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Andrew Friedman
DOCKET NO.: 19-07506.001-R-1
PARCEL NO.: 15-19-403-019

The parties of record before the Property Tax Appeal Board are Andrew Friedman, the appellant, by attorney Robert Rosenfeld of Robert H. Rosenfeld and Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$41,724
IMPR.: \$146,399
TOTAL: \$188,123

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of wood siding and brick exterior construction with 2,933 square feet of living area. The dwelling was constructed in 1989 and is approximately 30 years old. Features of the home include a partial basement finished with a recreation room, central air conditioning, a fireplace, a 783 square foot garage and a hot tub.¹ The property has a site with approximately 63,620 square feet of land area and is located in Long Grove, Vernon Township, Lake County.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on four equity comparables with the same assessment neighborhood code as the subject and located within .47

¹ The subject's property record card provided by the board of review disclosed the subject has a hot tub, which was unrefuted by the appellant.

of a mile from the subject property. The comparables are improved with two-story dwellings of wood siding exterior construction ranging in size from 2,856 to 3,500 square feet of living area. The dwellings are 29 or 30 years old. The comparables each have an unfinished basement, central air conditioning, a fireplace and a garage ranging in size from 696 to 976 square feet of building area. The comparables have improvement assessments that range from \$136,275 to \$159,393 or from \$45.54 to \$47.72 per square foot of living area. Based on this evidence, the appellant requested the subject's improvement assessment be reduced to \$136,890 or \$46.67 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$188,123. The subject property has an improvement assessment of \$146,399 or \$49.91 per square foot of living area. In support of its contention of the correct assessment, the board of review submitted information on five equity comparables with the same assessment neighborhood code as the subject and located within .52 of a mile from the subject property. The comparables are improved with two-story dwellings of wood siding, brick, or wood siding and brick exterior construction ranging in size from 2,918 to 3,185 square feet of living area. The dwellings were built from 1989 to 1991. The comparables each have a basement finished with a recreation room, one of which is a walk out. Each comparable has central air conditioning, one to three fireplaces and a garage ranging in size from 726 to 974 square feet of building area. Two comparables each have a gazebo, one of which also has a hot tub. The comparables have improvement assessments that range from \$142,622 to \$170,902 or from \$48.88 to \$56.14 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of nine suggested equity comparables for the Board's consideration. The Board has given less weight to the appellant's comparables due to their unfinished basements and/or larger dwelling sizes when compared to the subject. The Board finds the best evidence of assessment equity to be the comparables submitted by the board of review, which are similar to the subject in location, dwelling size, design, age and several features. The comparables have improvement assessments that range from \$142,622 to \$170,902 or from \$48.88 to \$56.14 per square foot of living area. The subject's improvement assessment of \$146,399 or \$49.91 per square foot of living area falls within the range established by the best comparables in the record. Based on this record and after considering adjustments to the comparables for differences when compared to the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
