

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Donna Williams
DOCKET NO.: 19-07511.001-R-1
PARCEL NO.: 11-32-104-014

The parties of record before the Property Tax Appeal Board are Donna Williams, the appellant, by attorney Robert Rosenfeld of Robert H. Rosenfeld and Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$62,545
IMPR.: \$174,478
TOTAL: \$237,023

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of brick exterior construction with 3,866 square feet of living area. The dwelling was constructed in 2000. Features of the home include an unfinished basement, central air conditioning, a fireplace and a 619 square foot garage. The property has a 13,648 square foot site and is located in Vernon Hills, Libertyville Township, Lake County.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on three equity comparables with the same assessment neighborhood code as the subject and located within .06 of a mile from the subject property. The comparables are improved with two-story dwellings of frame exterior construction ranging in size from 3,710 to 4,379 square feet of living area. The dwellings were built from 1998 to 2002. Each comparable has an unfinished basement, central

air conditioning, one or two fireplaces and a garage ranging in size from 638 to 710 square feet of building area. The comparables have improvement assessments that range from \$160,832 to \$188,899 or from \$42.83 to \$43.35 per square foot of living area. Based on this evidence, the appellant requested the subject's improvement assessment be reduced to \$166,650 or \$43.11 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$237,023. The subject property has an improvement assessment of \$174,478 or \$45.13 per square foot of living area. In support of its contention of the correct assessment, the board of review submitted information on five equity comparables with the same assessment neighborhood code as the subject and located within .14 of a mile from the subject property. The board of review's comparable #1 is a duplicate of the appellant's comparable #2. The comparables are improved with one-story or two-story dwellings of brick or wood siding exterior construction ranging in size from 3,719 to 4,379 square feet of living area. The dwellings were built in 1998 or 1999. The comparables each have an unfinished basement, one of which is a walk out. Each comparable has central air conditioning, one or two fireplaces and a garage ranging in size from 599 to 723 square feet of building area. Two comparables each have a gazebo. The comparables have improvement assessments that range from \$163,483 to \$188,899 or from \$43.14 to \$46.45 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of seven suggested equity comparables for the Board's consideration, as one comparable was common to both parties. The Board gives less weight to board of review comparables #3 and #4 due to their dissimilar one-story design when compared to the subject's two-story design. The Board finds the best evidence of assessment equity to be the parties' remaining comparables, which are similar to the subject in location, dwelling size, design, age and features. The comparables have improvement assessments that range from \$160,832 to \$188,899 or from \$42.83 to \$45.38 per square foot of living area. The subject's improvement assessment of \$174,478 or \$45.13 per square foot of living area falls within the range established by the comparables in the record both in terms of overall improvement assessment and on a square foot basis. Based on this record and after considering adjustments to the comparables for differences when compared to the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
