

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: David Wegrzyn  
DOCKET NO.: 19-07512.001-R-1  
PARCEL NO.: 11-20-305-003

The parties of record before the Property Tax Appeal Board are David Wegrzyn, the appellant, by attorney Robert Rosenfeld of Robert H. Rosenfeld and Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$48,249  
**IMPR.:** \$140,214  
**TOTAL:** \$188,463

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story dwelling of wood siding exterior construction with 3,305 square feet of living area. The dwelling was constructed in 1987 and is approximately 32 years old. Features of the home include an unfinished basement, central air conditioning, a fireplace and a 561 square foot garage. The property has an approximately 10,650 square foot site and is located in Libertyville, Libertyville Township, Lake County.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on three equity comparables with the same assessment neighborhood code as the subject and located within .08 of a mile from the subject property. The comparables are improved with two-story dwellings of wood siding exterior construction ranging in size from 2,775 to 3,315 square feet of living area. The dwellings are 30 or 33 years old. Each comparable has an unfinished basement, central air

conditioning, a fireplace and a garage ranging in size from 473 to 539 square feet of building area. The comparables have improvement assessments that range from \$109,400 to \$135,408 or from \$39.13 to \$40.85 per square foot of living area. Based on this evidence, the appellant requested the subject's improvement assessment be reduced to \$133,081 or \$40.27 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$188,463. The subject property has an improvement assessment of \$140,214 or \$42.42 per square foot of living area. In support of its contention of the correct assessment, the board of review submitted information on five equity comparables with the same assessment neighborhood code as the subject and located within .10 of a mile from the subject property. The board of review's comparable #4 is a duplicate of the appellant's comparable #2. The comparables are improved with two-story dwellings of brick or wood siding exterior construction ranging in size from 3,133 to 3,613 square feet of living area. The dwellings were built from 1985 to 1994. Each comparable has an unfinished basement, central air conditioning, one or two fireplaces and a garage ranging in size from 429 to 1,243 square feet of building area. Comparable #1 has an inground swimming pool. The comparables have improvement assessments that range from \$131,049 to \$151,595 or from \$40.85 to \$44.14 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of seven suggested equity comparables for the Board's consideration, as one comparable was common to both parties. The Board gives less weight to the appellant's comparables #1 and #3 due to their smaller dwelling sizes when compared to the subject dwelling. The Board gives reduced weight to board of review comparable #1 as it has an inground swimming pool, not a feature of the subject and to board of review comparable #3 due to its larger dwelling size and larger garage size when compared to the subject.

The Board finds the best evidence of assessment equity to be the parties' remaining comparables, which includes the common comparable. The Board finds these comparables are similar to the subject in location, dwelling size, design, age and features. The comparables have improvement assessments that range from \$131,049 to \$140,542 or from \$40.85 to \$44.14 per square foot of living area. The subject's improvement assessment of \$140,214 or \$42.42 per square foot of living area falls within the range established by the best comparables in the record both in terms of overall improvement assessment and on a square foot basis. Based on this record and after considering adjustments to the comparables for differences when compared to the subject, the

Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
