

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Bradley Webber
DOCKET NO.: 19-07513.001-R-1
PARCEL NO.: 11-29-311-033

The parties of record before the Property Tax Appeal Board are Bradley Webber, the appellant, by attorney Robert Rosenfeld of Robert H. Rosenfeld and Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$51,064
IMPR.: \$140,227
TOTAL: \$191,291

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of brick and frame exterior construction with 3,238 square feet of living area. The dwelling was constructed in 1998 and is approximately 21 years old. Features of the home include an unfinished basement, central air conditioning, a fireplace and a 667 square foot garage. The property has a 10,075 square foot site and is located in Vernon Hills, Libertyville Township, Lake County.¹

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on three comparable sales with the same assessment neighborhood code as the subject and located within .13 of a mile from the subject property. The comparables have sites that range in size from 10,114 to 13,750 square feet of land area and are

¹ According to the property record card provided by the board review, a positive 5% influence factor was applied to the subject's land for view, which was unrefuted by the appellant.

improved with two-story dwellings of brick and frame exterior construction ranging in size from 2,722 or 3,491 square feet of living area. The dwellings range in age from 19 to 21 years old. Each comparable has an unfinished basement, central air conditioning, a fireplace and a garage ranging in size from 505 to 612 square feet of building area. The properties sold from March 2018 to May 2019 for prices ranging from \$460,000 to \$580,000 or from \$156.45 to \$168.99 per square foot of living area, including land. Based on this evidence, the appellant requested the subject's assessment be reduced to \$176,859, which would reflect a market value of \$530,630 or \$163.88 per square foot of living area, including land, when using the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$191,291. The subject's assessment reflects a market value of \$581,608 or \$179.62 per square foot of living area, land included, when using the 2019 three-year average median level of assessment for Lake County of 32.89% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment, the board of review submitted information on three comparable sales with the same assessment neighborhood code as the subject and located within .21 of a mile from the subject property. The comparables have sites that range in size from 10,470 to 11,260 square feet of land area and are improved with two-story dwellings of brick or brick and wood siding exterior construction ranging in size from 3,016 to 3,385 square feet of living area. The dwellings were built in 1998 or 2000. Each comparable has an unfinished basement, central air conditioning, a fireplace and a garage ranging in size from 604 to 656 square feet of building area. Comparable #2 has an inground swimming pool. The properties sold from February to November 2018 for prices ranging from \$538,000 to \$605,000 or from \$177.58 to \$178.73 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of six suggested comparable sales for the Board's consideration. The Board has given less weight to the appellant's comparable #1 due to its smaller dwelling size when compared to the subject. The Board has given reduced weight to board of review comparable #2 as it has an inground swimming pool, unlike the subject.

The Board finds the best evidence of market value to be the parties' remaining comparable sales, which are similar to the subject in dwelling size, design, age and some features. These comparables sold from February 2018 to May 2019 for prices ranging from \$482,500 to \$605,000 or from \$156.45 to \$178.73 per square foot of living area, including land. The subject's assessment reflects a market value of \$581,608 or \$179.62 per square foot of living

area, including land, which falls within the overall price range established by the best comparable sales in the record but somewhat above the range on a price per square foot basis. However, after considering adjustments to the comparables for differences when compared to the subject, the Board finds no reduction in the subject's estimated market value as reflected by its assessment is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
