

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Thomas Lauren
DOCKET NO.: 19-07520.001-R-1
PARCEL NO.: 11-27-108-026

The parties of record before the Property Tax Appeal Board are Thomas Lauren, the appellant, by attorney Robert Rosenfeld of Robert H. Rosenfeld and Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$56,124
IMPR.: \$109,419
TOTAL: \$165,543

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of frame exterior construction with 2,539 square feet of living area. The dwelling was constructed in 1979. Features of the home include an unfinished basement, central air conditioning, a fireplace and a 483 square foot garage. The property has a 10,951 square foot site and is located in Libertyville, Libertyville Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on four comparable sales with the same assessment neighborhood code as the subject and located within .19 of a mile from the subject property. The comparables have sites that range in size from 10,814 to 13,642 square feet of land area and are improved with two-story dwellings of frame and brick exterior construction ranging in size from 2,583 to 3,239 square feet of living area. The dwellings were built from 1978 to 1984. Each

comparable has an unfinished basement, central air conditioning, a fireplace and a garage ranging in size from 441 to 546 square feet of building area. The properties sold from March 2017 to June 2018 for prices ranging from \$485,000 to \$508,000 or from \$149.74 to \$189.70 per square foot of living area, including land. Based on this evidence, the appellant requested the subject's assessment be reduced to \$145,653, which would reflect a market value of \$437,003 or \$172.12 per square foot of living area, including land, when using the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$165,543. The subject's assessment reflects a market value of \$503,323 or \$198.24 per square foot of living area, land included, when using the 2019 three-year average median level of assessment for Lake County of 32.89% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment, the board of review submitted information on three comparable sales with the same assessment neighborhood code as the subject and located within .28 of a mile from the subject property. The comparables have sites that range in size from 9,560 to 10,040 square feet of land area and are improved with two-story dwellings of wood siding exterior construction ranging in size from 2,248 to 2,438 square feet of living area. The dwellings were built from 1976 to 1978. The comparables each have an unfinished basement, central air conditioning, a fireplace and a garage ranging in size from 462 to 529 square feet of building area. The properties sold from May 2018 to August 2020 for prices ranging from \$443,000 to \$515,000 or from \$182.53 to \$214.58 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of seven suggested comparable sales for the Board's consideration. The Board has given less weight to the appellant's comparables due to their larger dwelling sizes and/or their sale dates occurred in 2017, which are dated and less likely to be indicative of the subject's market value as of the assessment date at issue. The Board gives reduced weight to board of review comparable #2 as its sale occurred 20 months after the January 1, 2019 assessment date.

The Board finds the best evidence of market value to be the board of review's comparable sales #1 and #3, which sold proximate in time to the assessment date at issue and are similar to the subject in location, dwelling size, design, age and most features. These comparables sold in May 2018 and March 2019 for prices of \$443,000 and \$515,000 or for \$197.06 and \$214.58 per square foot of living area, including land. The subject's assessment reflects a market value of

\$503,323 or \$198.24 per square foot of living area, including land, which falls between the two best comparable sales in the record both in terms of overall market value and on a price per square foot basis. Therefore, based on this record and after considering adjustments to the comparables for differences when compared to the subject, the Board finds no reduction in the subject's estimated market value as reflected by its assessment is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
