

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Carlos Alban  
DOCKET NO.: 19-07533.001-R-1  
PARCEL NO.: 11-18-207-002

The parties of record before the Property Tax Appeal Board are Carlos Alban, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld and Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$55,285  
**IMPR.:** \$147,901  
**TOTAL:** \$203,186

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story dwelling of wood siding exterior construction with 3,586 square feet of living area. The dwelling was constructed in 1998 and is approximately 21 years old. Features of the home include a basement, central air conditioning, a fireplace, and a 460 square foot garage. The property has a 13,009 square foot site and is located in Libertyville, Libertyville Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales. The comparables are located from 0.03 to 0.23 of a mile from the subject property and within the same assessment neighborhood code as the subject property. The parcels range in size from 10,023 to 10,234 square feet of land area and are improved with two-story homes of brick or wood siding exterior construction ranging in size from 3,503 to 3,923 square feet of living area. The dwellings range in age from

19 to 22 years old. Each home has a basement, central air conditioning, and a garage with either 460 or 462 square feet of building area. Two homes each have one or two fireplaces. The comparables sold from December 2017 to May 2019 for prices ranging from \$525,000 to \$620,000 or from \$149.80 to \$162.30 per square foot of living area, including land.

Based on this evidence, the appellant requested a total assessment of \$187,308 which would reflect a market value of \$561,980 or \$156.72 per square foot of living area, including land, at the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$203,186. The subject's assessment reflects a market value of \$617,774 or \$172.27 per square foot of living area, land included, when using the 2019 three year average median level of assessment for Lake County of 32.89% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on five comparable sales. The comparables are located from 0.13 to 0.48 of a mile from the subject property and two comparables are located within the same assessment neighborhood code as the subject property. The parcels range in size from 10,000 to 12,550 square feet of land area and are improved with two-story homes of wood siding or brick and wood siding exterior construction ranging in size from 3,063 to 3,586 square feet of living area. The dwellings were built from 1984 to 1998 with comparable #2 having an effective age of 1989. Each home has a basement, central air conditioning, one or two fireplaces, and a garage ranging in size from 460 to 484 square feet of building area. The comparables sold from April 2018 to August 2019 for prices ranging from \$600,000 to \$670,000 or from \$173.51 to \$210.87 per square foot of living area, including land. Based on this evidence the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of eight comparable sales for the Board's consideration. The Board gives less weight to the board of review's comparables #2, #4, and #5, which are much older homes than the subject dwelling. The Board gives less weight to the appellant's comparable #2, which sold less proximate in time to the January 1, 2019 assessment date.

The Board finds the best evidence of market value to be the appellant's comparables #1 and #3 and the board of review's comparables #1 and #3, which are similar to the subject in dwelling size, age, location, and most features. These most similar comparables sold from April 2018 to August 2019 for prices ranging from \$569,000 to \$670,000 or from \$158.00 to \$195.89 per square foot of living area, including land. The subject's assessment reflects a market value of

\$617,774 or \$172.27 per square foot of living area, including land, which is within the range established by the best comparable sales in this record. Based on this evidence and after considering appropriate adjustments to the best comparables for differences when compared to the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
