

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Susan Feldman  
DOCKET NO.: 19-07537.001-R-1  
PARCEL NO.: 15-17-413-006

The parties of record before the Property Tax Appeal Board are Susan Feldman, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld and Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$50,594  
**IMPR.:** \$168,522  
**TOTAL:** \$219,116

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story dwelling of brick exterior construction with 3,560 square feet of living area. The dwelling was constructed in 1990 and is approximately 29 years old. Features of the home include a basement with finished area, central air conditioning, a fireplace, and a 704 square foot garage. The property has a 17,946 square foot site and is located in Buffalo Grove, Vernon Township, Lake County.

The appellant contends assessment inequity concerning the improvement assessment as the basis of the appeal. In support of this argument the appellant submitted information on four equity comparables. The comparables are located from 0.04 to 0.15 of a mile from the subject property and within the same assessment neighborhood code as the subject property. The comparables are improved with two-story homes of wood siding exterior construction ranging in size from 3,653 to 4,174 square feet of living area. The dwellings are 28 or 29 years old. Each home has a

basement, one of which has finished area, central air conditioning, one or two fireplaces, and a garage ranging in size from 720 to 800 square feet of building area. The comparables have improvement assessments ranging from \$160,929 to \$181,786 or from \$42.33 to \$44.05 per square foot of living area.

Based on this evidence the appellant requested a reduction in the subject's improvement assessment to \$155,928 or \$43.80 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$219,116. The subject property has an improvement assessment of \$168,522 or \$47.34 per square foot of living area.

In support of its contention of the correct assessment the board of review submitted information on five equity comparables. The comparables are located from 0.07 to 0.46 of a mile from the subject property and within the same assessment neighborhood code as the subject property. The comparables are improved with two-story homes of brick, wood siding, or brick and wood siding exterior construction ranging in size from 3,214 to 3,386 square feet of living area. The dwellings were built from 1990 to 2004. Each home has a basement, four of which have a recreation room, central air conditioning, one or two fireplaces, and a garage ranging in size from 441 to 713 square feet of building area. The comparables have improvement assessments ranging from \$139,084 to \$166,277 or from \$42.34 to \$49.11 per square foot of living area.

Based on this evidence the board of review requested confirmation of the subject's improvement assessment.

### **Conclusion of Law**

The appellant contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of nine equity comparables for the Board's consideration. The Board gives less weight to the appellant's comparables #1, #2, and #4 and the board of review's comparable #2, due to their lack of finished basement area which the subject features. The Board gives less weight to the board of review's comparable #5, which is a much newer home than the subject dwelling.

The Board finds the best evidence of assessment equity to be the appellant's comparable #3 and the board of review's comparables #1, #3, and #4, which are relatively similar to the subject in dwelling size, age, location, and most features. These comparables have improvement assessments that range from \$139,084 to \$176,675 or from \$42.33 to \$48.68 per square foot of living area. The subject's improvement assessment of \$168,522 or \$47.34 per square foot of

living area falls within the range established by the best comparables in this record. Based on this record the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
