

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Mary Farrell
DOCKET NO.: 19-07569.001-R-1
PARCEL NO.: 15-01-304-017

The parties of record before the Property Tax Appeal Board are Mary Farrell, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld and Associates, LLC in Chicago, and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$ 71,112
IMPR.: \$132,320
TOTAL: \$203,432

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a ranch-style one-story dwelling of wood siding exterior construction with 2,390 square feet of living area. The dwelling was constructed in 1999 and is approximately 20 years old. Features of the home include an unfinished full basement, central air conditioning, a fireplace and a 506 square foot garage. The property has an approximately 12,370 square foot site and is located in Lake Forest, Vernon Township, Lake County.

The appellant contends assessment inequity concerning the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on four equity comparables located in the same assessment neighborhood code as the subject property and one of which is on the same street as the subject. The comparables are described as two-story dwellings of frame exterior construction that are either 19 or 20 years old. The homes contain either 2,968 or 3,063 square feet of living area. Each dwelling has an unfinished basement,

central air conditioning, a fireplace and a garage of either 528 or 572 square feet of building area. The comparables have improvement assessments ranging from \$141,331 to \$145,658 or from \$47.44 to \$47.76 per square foot of living area. Based on this evidence, the appellant requested a reduced improvement assessment of \$113,746 or \$47.59 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$203,432. The subject property has an improvement assessment of \$132,320 or \$55.36 per square foot of living area.

In support of its contention of the correct assessment, the board of review submitted information on four equity comparables located in the same assessment neighborhood code as the subject property. The comparables are described as one-story dwellings of wood siding exterior construction that were built in either 1999 or 2000. The homes each contain 2,390 square feet of living area and have either a full or partial basement, three of which have finished areas ranging in size from 1,097 to 1,793 square feet. Each dwelling has central air conditioning, a fireplace and a 506 square foot garage. The comparables have improvement assessments ranging from \$123,422 to \$140,979 or from \$51.64 to \$58.99 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of eight equity comparables to support their respective positions before the Property Tax Appeal Board. The Board has given reduced weight to the appellant's comparables which are each described as two-story dwellings which differ from the subject's ranch-style or one-story design.

The Board finds the best evidence of assessment equity to be the board of review comparables that are similar to the subject in location and nearly identical to the subject in design/story height, age, dwelling size and most features. These comparables have improvement assessments that range from \$123,422 to \$140,979 or from \$51.64 to \$58.99 per square foot of living area. The subject's improvement assessment of \$132,320 or \$55.36 per square foot of living area falls within the range established by the best comparables in this record both in terms of overall improvement assessment and on a per-square-foot basis. Based on this record and after considering appropriate adjustments to the best comparables for differences when compared to the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
