

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Steven Block
DOCKET NO.: 19-07610.001-R-1
PARCEL NO.: 15-28-311-003

The parties of record before the Property Tax Appeal Board are Steven Block, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld and Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$36,350
IMPR.: \$135,964
TOTAL: \$172,314

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of wood siding exterior construction with 2,710 square feet of living area. The dwelling was constructed in 1985 but has a 1986 effective age. Features of the home include a full unfinished basement, central air conditioning, a fireplace and an attached 483 square foot garage. The property has a 8,760 square foot site and is located in Buffalo Grove, Vernon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on four comparable sales that are located from .09 to .67 of a mile from the subject. The comparables have sites ranging in size from 8,855 to 11,199 square feet of land area that are improved with two-story dwellings containing from 2,064 to 2,924 square feet of living area. The dwellings were built from 1985 to 1988. The comparables have full basements, one of which has finished area, central air conditioning and an attached garage

ranging in size from 400 to 483 square feet of building area. Two comparables each have a fireplace. The comparables sold from April 2018 to May 2019 for prices ranging from \$350,000 to \$530,000 or from \$169.57 to \$181.26 per square foot of living area, including land.

Based on this evidence the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$172,314. The subject's assessment reflects a market value of \$523,910 or \$193.32 per square foot of living area, land included, when using the 2019 three-year average median level of assessment for Lake County of 32.89% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on three comparable properties that are located from .12 to .67 of a mile from the subject. The board of review's comparable #1 is the same property as the appellant's comparable #1. The comparables have sites ranging in size from 10,380 to 12,540 square feet of land area that are improved with two-story dwellings containing from 2,490 to 2,924 square feet of living area. The dwellings were built from 1985 to 1988 but have effective ages ranging from 1989 to 1990. The comparables have full or partial basements, two of which have finished area, central air conditioning and a 400 or 483 square foot garage. One comparable has a fireplace. The comparables sold from September 2018 to June 2019 for prices ranging from \$505,000 to \$535,400 or from \$181.26 to \$215.02 per square foot of living area, including land.

Based on this evidence the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of six comparable properties for the Board's consideration, one of which was submitted by both parties. The Board gives less weight to the appellant's comparables #2, #3 and #4, due to their significantly smaller dwelling size, when compared to the subject. The Board finds the parties' remaining comparables, which includes the parties' common comparable, have varying degrees of similarity to the subject and sold for prices ranging from of \$505,000 to \$535,400 or from \$181.26 to \$215.02 per square foot of living area, including land. The subject's assessment reflects a market value of \$523,910 or \$193.32 per square foot of living area, including land, which falls within the range established by the best comparables in the record. After considering adjustments to the best comparables for differences when compared to the subject, the Board finds the subject's estimated market value as reflected by its assessment is supported. Based on this record the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
