

## FINAL ADMINISTRATIVE DECISION ILLINOIS PROPERTY TAX APPEAL BOARD

| APPELLANT:   | Edward Werner    |
|--------------|------------------|
| DOCKET NO.:  | 19-07636.001-R-1 |
| PARCEL NO .: | 15-15-304-027    |

The parties of record before the Property Tax Appeal Board are Edward Werner, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld and Associates, LLC in Chicago, and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds <u>*A Reduction*</u> in the assessment of the property as established by the Lake County Board of Review is warranted. The correct assessed valuation of the property is:

| LAND:  | \$35,287  |
|--------|-----------|
| IMPR.: | \$157,120 |
| TOTAL: | \$192,407 |

Subject only to the State multiplier as applicable.

### **Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

### **Findings of Fact**

The subject property consists of a two-story dwelling of brick exterior construction with 3,039 square feet of living area. The dwelling is 27 years old. Features of the home include a basement with finished area, central air conditioning, one fireplace, and a 420 square foot garage. The property has a 6,364 square foot site and is located in Lincolnshire, Vernon Township, Lake County.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on four equity comparables with the same assessment neighborhood code as the subject. The comparables are described as two-story dwellings of Dryvit, wood siding or brick exterior construction ranging in size from 2,844 to 3,336 square feet of living area. The dwellings are 26 to 29 years old. Each comparable has an unfinished basement, central air conditioning, one fireplace, and a garage

ranging in size from 462 to 529 square feet of building area. The comparables have improvement assessments ranging from \$139,797 to \$154,910 or from \$43.37 to \$49.16 per square foot of living area.

The appellant submitted a copy of the final decision of the board of review disclosing the property has a total assessment of \$200,410 and an improvement assessment of \$165,123 or \$54.33 per square foot of living area.

Based on this evidence, the appellant requested a reduction in the subject's improvement assessment.

The board of review did not submit its "Board of Review Notes on Appeal" nor any evidence in support of its assessed valuation of the subject property and was found to be in default by letter dated August 5, 2021, from the Property Tax Appeal Board.

## **Conclusion of Law**

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the only evidence of assessment equity to be the appellant's comparables which are similar to the subject in location, style, age, dwelling size and most features. However, the Board finds the comparables have unfinished basements unlike the subject which require upward adjustments to make them more equivalent to the subject. These comparables had improvement assessments that ranged from \$139,797 to \$154,910 or from \$43.37 to \$49.16 per square foot of living area. The subject's improvement assessment of \$165,123 or \$54.33 per square foot of living area falls above the range established by the only comparables in this record. The board of review did not submit any evidence in support of its assessment of the subject property as required by section 1910.40(a) of the rules of the Property Tax Appeal Board and is found to be in default pursuant to section 1910.69(a). The Board has examined the evidence submitted by the appellant and finds that a reduction in the assessed valuation of the subject property is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
