

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Prem & Harpreet Datt
DOCKET NO.: 19-07640.001-R-1
PARCEL NO.: 11-28-102-203

The parties of record before the Property Tax Appeal Board are Prem & Harpreet Datt, the appellants, by attorney Robert Rosenfeld, of Robert H. Rosenfeld and Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$56,124
IMPR.: \$96,305
TOTAL: \$152,429

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellants timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of wood siding exterior construction with 2,266 square feet of living area. The dwelling was constructed in 1986 and is approximately 33 years old. Features of the home include a full basement, central air conditioning, a fireplace, and a 483 square foot garage. The property has an approximately 9,600 square foot site and is located in Libertyville, Libertyville Township, Lake County.

The appellants contend assessment inequity with regard to the improvement as the basis of the appeal. In support of this argument the appellants submitted information on four equity comparables located within the same assessment neighborhood code as the subject property. The comparables are improved with 2-story homes of wood siding exterior construction ranging in size from 2,275 to 2,589 square feet of living area. The dwellings are 42 or 43 years old. Each home has a basement, central air conditioning, one or two fireplaces, and a garage ranging in size

from 431 to 473 square feet of building area. The comparables have improvement assessments ranging from \$86,516 to \$96,813 or from \$36.85 to \$41.10 per square foot of living area.

Based on this evidence the appellants requested a reduction in the subject's improvement assessment to \$86,391 or \$38.12 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$152,429. The subject property has an improvement assessment of \$96,305 or \$42.50 per square foot of living area.

In support of its contention of the correct assessment the board of review submitted information on five equity comparables located within the same assessment neighborhood code as the subject. The comparables are improved with 2-story homes of wood siding exterior construction ranging in size from 2,446 to 2,586 square feet of living area. The dwellings were built from 1978 to 1983, with comparables #1, #3, and #4 having effective ages of 1992, 1979, and 1980, respectively. Each home has a full basement, central air conditioning, and a 462 square foot garage. Three homes each have a fireplace. The comparables have improvement assessments ranging from \$103,433 to \$106,307 or from \$40.34 to \$43.46 per square foot of living area.

Based on this evidence the board of review requested the subject's improvement assessment be sustained.

Conclusion of Law

The appellants contend assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellants did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of nine equity comparables for the Board's consideration. The Board gives less weight to the appellants' comparables and the board of review's comparables #3 and #4, which are less similar to the subject in dwelling size and/or in age/effective age than other comparables in this record.

The Board finds the best evidence of assessment equity to be the board of review's comparables #1, #2, and #5, which are relatively similar to the subject in dwelling size, age/effective age, location, and most features, although these comparables are all larger homes than the subject. These most similar comparables have improvement assessments that range from \$103,433 to \$106,307 or from \$42.29 to \$43.46 per square foot of living area. The subject's improvement assessment of \$96,305 or \$42.50 per square foot of living area falls below the range established by the best comparables in terms of total improvement assessment and within the range on a per square foot basis, which is logical given the subject is a smaller home than the best comparables. Based on this record and after considering appropriate adjustments to the best comparables for

differences from the subject, the Board finds the appellants did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
