

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Darin Dankelson  
DOCKET NO.: 19-07641.001-R-1  
PARCEL NO.: 11-15-410-007

The parties of record before the Property Tax Appeal Board are Darin Dankelson, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld and Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$74,163  
**IMPR.:** \$152,757  
**TOTAL:** \$226,920

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a 2-story dwelling of wood siding exterior construction with 3,098 square feet of living area. The dwelling was constructed in 1989 and is approximately 30 years old. Features of the home include a full unfinished basement, central air conditioning, two fireplaces, and a 848 square foot garage. The property has a 36,137 square foot site<sup>1</sup> and is located in Libertyville, Libertyville Township, Lake County.

The appellant contends assessment inequity with regard to the improvement as the basis of the appeal. In support of this argument the appellant submitted information on three equity comparables located within the same assessment neighborhood code as the subject. The

<sup>1</sup> The parties differ regarding the subject's site size. The Board finds the best evidence of site size is found in the subject's property record card presented by the board of review which was not refuted by the appellant in written rebuttal.

comparables are improved with 2-story homes of brick or wood siding exterior construction ranging in size from 3,490 to 4,269 square feet of living area. The dwellings range in age from 28 to 30 years old. Each home has a full unfinished basement, central air conditioning, two or three fireplaces, and a garage ranging in size from 744 to 858 square feet of building area. The comparables have improvement assessments ranging from \$161,903 to \$202,295 or from \$46.39 to \$47.90 per square foot of living area.

Based on this evidence the appellant requested a reduction in the subject's improvement assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$226,920. The subject property has an improvement assessment of \$152,757 or \$49.31 per square foot of living area.

In support of its contention of the correct assessment the board of review submitted information on five equity comparables located within the same assessment neighborhood code as the subject. Comparable #3 is the same property as the appellant's comparable #1. The comparables are improved with 2-story homes of wood siding or brick and wood siding exterior construction ranging in size from 3,153 to 3,498 square feet of living area. The dwellings were built from 1989 to 1991. Each home has a full unfinished basement, central air conditioning, one to three fireplaces, and a garage ranging in size from 680 to 874 square feet of building area. The comparables have improvement assessments ranging from \$149,710 to \$175,074 to \$46.39 to \$50.88 per square foot of living area.

Based on this evidence the board of review requested the subject's improvement assessment be sustained.

### **Conclusion of Law**

The appellant contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of seven equity comparables, with one common comparable, for the Board's consideration. The Board gives less weight to the appellant's comparables #2 and #3, due to significant differences from the subject in dwelling size.

The Board finds the best evidence of assessment equity to be the appellant's comparable #1/board of review's comparable #3 and the board of review's comparables #1, #2, #4, and #5, which are similar to the subject in dwelling size, age, location, and most features. These comparables have improvement assessments that range from \$149,710 to \$175,074 to \$46.39 to \$50.88 per square foot of living area. The subject's improvement assessment of \$152,757 or

\$49.31 per square foot of living area falls within the range established by the best comparables in this record. Based on this record and after considering appropriate adjustments to the best comparables for differences when compared to the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
