

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Carmi Dolan
DOCKET NO.: 19-07644.001-R-1
PARCEL NO.: 15-14-408-008

The parties of record before the Property Tax Appeal Board are Carmi Dolan, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld and Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$64,456
IMPR.: \$142,674
TOTAL: \$207,130

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of brick exterior construction with 2,998 square feet of living area. The dwelling was constructed in 1980 and is approximately 39 years old. Features of the home include a concrete slab foundation, central air conditioning, a fireplace, and a 717 square foot garage. The property has an approximately 20,072 square foot site and is located in Lincolnshire, Vernon Township, Lake County.

The appellant contends assessment inequity with regard to the improvement as the basis of the appeal. In support of this argument the appellant submitted information on four equity comparables located within the same assessment neighborhood code as the subject. The comparables are improved with 2-story homes of brick or wood siding exterior construction ranging in size from 2,776 to 3,498 square feet of living area. The dwellings range in age from 32 to 41 years old. Three homes each have a full basement and one home has a crawl space

foundation. Each home has central air conditioning, a fireplace, and a garage ranging in size from 484 to 805 square feet of building area. The comparables have improvement assessments ranging from \$131,585 to \$165,895 or from \$47.37 to \$47.73 per square foot of living area.

Based on this evidence the appellant requested a reduction in the subject's improvement assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$219,605. The subject property has an improvement assessment of \$155,149 or \$51.75 per square foot of living area.

In support of its contention of the correct assessment the board of review submitted information on four equity comparables located within the same assessment neighborhood code as the subject. The comparables are improved with 2-story homes of brick exterior construction ranging in size from 2,757 to 2,990 square feet of living area. The dwellings were built from 1979 to 1983. Each home has a full or partial basement, two of which have finished area, central air conditioning, one or two fireplaces, and a garage ranging in size from 506 to 832 square feet of building area. The comparables have improvement assessments ranging from \$155,813 to \$158,612 or from \$52.69 to \$56.79 per square foot of living area.

Based on this evidence the board of review requested the subject's improvement assessment be sustained.

Conclusion of Law

The appellant contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The record contains a total of eight equity comparables for the Board's consideration. The Board gives less weight to the appellant's comparables #1 and #3, which are less similar to the subject in dwelling size than other comparables in this record. The Board gives less weight to the board of review's comparables #2 and #4, which each have finished basement area that is not a feature of the subject.

The Board finds the best evidence of assessment equity to be the appellant's comparables #2 and #4 and the board of review's comparables #1 and #3, which are similar to the subject in dwelling size, age, location, and some features, although none of these comparables has a concrete slab foundation like the subject, suggesting that downward adjustments to these comparables would be needed to make them more similar to the subject. These comparables have improvement assessments that range from \$131,585 to \$159,237 or from \$47.40 to \$53.19 per square foot of living area. The subject's improvement assessment of \$155,149 or \$51.75 per square foot of

living area falls within the range established by the best comparables in this record. However, after considering appropriate adjustments to the best comparables for differences when compared to the subject, the Board finds the subject's improvement assessment is excessive. Based on this record, the Board finds the appellant did demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment commensurate with the appellant's request is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
