

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: James Lynch
DOCKET NO.: 19-07776.001-R-1
PARCEL NO.: 10-13-102-038

The parties of record before the Property Tax Appeal Board are James Lynch, the appellant, by attorney Andrew J. Rukavina, of The Tax Appeal Company in Mundelein; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$22,317
IMPR.: \$85,539
TOTAL: \$107,856

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of vinyl siding exterior construction with 2,816 square feet of living area. The dwelling was constructed in 1995. Features of the home include a basement, central air conditioning, a fireplace, and a 609 square foot garage. The property has a 14,570 square foot site and is located in Mundelein, Fremont Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on five comparable sales presented on two grids. The comparables are located from 0.30 of a mile to 1.01 miles from the subject property and within the same assessment neighborhood code as the subject property. The parcels range in size from 10,080 to 15,960 square feet of land area and are improved with two-story homes of vinyl siding exterior construction ranging in size from 2,841 to 3,273 square feet of living area. The

dwelling were built from 1990 to 1995. Each home has a basement, two of which have a recreation room, central air conditioning, one or two fireplaces, and a garage ranging in size from 441 to 630 square feet of building area. The comparables sold from February 2017 to October 2019 for prices ranging from \$277,500 to \$350,000 or from \$96.49 to \$106.94 per square foot of living area, including land.

Based on this evidence, the appellant requested a reduction in the subject's assessment to \$94,158 which would reflect a market value of \$282,502 or \$100.32 per square foot of living area, including land, at the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$107,856. The subject's assessment reflects a market value of \$327,929 or \$116.45 per square foot of living area, land included, when using the 2019 three year average median level of assessment for Lake County of 32.89% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales. The comparables are located within the same assessment neighborhood code as the subject property. The parcels range in size from 10,000 to 14,260 square feet of land area and are improved with two-story homes of vinyl siding exterior construction ranging in size from 2,756 to 2,987 square feet of living area. The dwellings were built in 1993 or 1994. Each home has a basement, two of which have a recreation room, central air conditioning, one or two fireplaces, and a garage ranging in size from 444 to 630 square feet of building area. The comparables sold from March 2018 to August 2019 for prices ranging from \$345,000 to \$380,000 or from \$123.55 to \$127.22 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of nine comparable sales for the Board's consideration. The Board gives less weight to the appellant's comparables #1, #4, and #5, which sold less proximate in time to the January 1, 2019 assessment date. The Board gives less weight to the appellant's comparable #3 and the board of review's comparables #3 and #4, which each have a recreation room that is not a feature of the subject.

The Board finds the best evidence of market value to be the appellant's comparable #2 and the board of review's comparables #1 and #2, which are similar to the subject in dwelling size, age, location, and most features. These most similar comparables sold from March 2018 to October 2019 for prices of \$345,000 and \$350,000 or from \$106.94 to \$125.18 per square foot of living

area, including land. The subject's assessment reflects a market value of \$327,929 or \$116.45 per square foot of living area, including land, which is below the range established by the best comparable sales in terms of total market value and within the range on a price per square foot basis. Based on this evidence and after considering appropriate adjustments to the best comparables for differences from the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
